Knightingale Aug 06 2020 Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so

in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

[Breakaway Study Guide](#) Dec 10 2020 Everywhere You Go, There You Are When you were young, you were told, "You are special!" and were encouraged to become anything you wanted. The future held unlimited options. But then life happened. And now you look around feeling, thinking, looking, and acting basically the same as the next guy. You can't help but feel trapped and

hemmed in. Unfortunately, many try to break out of the suffocating sameness by making the same bad decisions over and over again. This Breakaway DVD and study guide are designed to renovate your thinking by illustrating four core beliefs that dictate the decisions shaping the outcome of your life. This study will help you break out of the crowd and away from bad patterns for good! Break out of the crowd. None of us sets out to be like everybody else, but it happens. Life begins to squeeze us into a mold until one day we wake up feeling trapped and hemmed in. Unfortunately many people think that the answer is to run away, but they only end up making the same bad decisions over and over again. So how do you break the cycle and break out of the crowd? In this six-session companion study guide to the Breakaway DVD, Andy Stanley will expose you to four core beliefs that have the power to renovate your thinking and change the trajectory of your life. Intended for use in a personal study or in small groups, Breakaway will illustrate how our core beliefs dictate our decisions which dictate the outcomes of our lives. This study guide is complete with a leader's guide and six lessons, including conversation-starting exercises, discussion questions, and application steps. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. Much of the brokenness he

sees in the lives of his congregants results from the herd mentality that makes them feel completely blah. He often hears comments like, "Life is just more of the same, only with more candles on my birthday cake," and, "Even my problems are the same as everyone else's—from dealing with debt to my marital problems. There's nothing unique about me." Culture has shaped and molded the zest out of life, and this DVD and study guide are designed to open the door to freedom!

The Red Road to Wellbriety

Jul 17 2021 "Time and again our Elders have said that the 12 Steps of AA are just the same as the principles that our ancestors lived by, with only one change. When we place the 12 Steps in a circle then they come into alignment with the circle teachings that we know from many of our tribal ways. When we think of them in a circle and use them a little differently, then the words will be more familiar to us. This book is about a Red Road, Medicine Wheel Journey to Wellbriety--to become sober and well in a Native American cultural way."--Back cover.

Defining Moments Study Guide

Jun 23 2019 Face the Truth

Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the Defining Moments DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture—the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever. Story Behind the Book While working to develop a series that would introduce people to a new mind-set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff, church, and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.
