**Only a Dog** Sep 30 2022 This 1917 volume offers a true story of a dog's faithfulness in World War I.

*We Are Taking Only What We Need* Aug 25 2019 In these powerfully rendered, prizewinning stories, working-class African Americans across the South strive for meaning and search for direction in lives shaped by forces beyond their control. The ten stories in this resonant collection deal with both the ties that bind and the gulf that separates generations, from children confronting the fallibility of their own parents for the first time to adults finding themselves forced to start over again and again. In "Highway 18" a young Jehovah's Witness going door to door with an expert field-service partner from up north is at a crossroads: will she go to college or continue to serve the church? "If You Hit Randall County, You've Gone Too Far" tells of a family trying to make it through a tense celebratory dinner for a son just out on bail. And in the collection's title story, a young girl experiences loss for the first time in the fallout from her father's relationship with her babysitter. Startling, intimate, and prescient on their own, these stories build to a kaleidoscopic understanding of both the individual and the collective black experience over the last fifty years in the American South. With *We Are Taking Only What We Need*, Stephanie Powell Watts has crafted an incredibly assured and emotionally affecting meditation on everything from the large institutional forces to the small interpersonal moments that impress upon us and direct our lives.

*My Only Story* Jul 29 2022 He came to me first in a dream, as a crippled dog angling down a country lane, puzzled by his sudden age, his bum paw, the dry stick clamped between his teeth. I'd been expecting this dream for a very long time, and I woke up moving. . . . Rita Rosario has a gift, a way with people. She listens to them and really sees them for who they are—warts and all. And sometimes, she even knows how to guide them toward a new beginning. Women, even men, come to Rita's beauty shop for perms, town gossip, and the

makeovers of their very lives. John Reed first appears to Rita in one of her dreams. When they meet at a town gathering a few days later, she immediately offers him a haircut, and her heart. As they share their stories, Rita senses she can help John fill a void by reconnecting him to his only family—a young niece he nearly lost in a heartbreaking tragedy. While inspiring John on a journey out of loneliness and into reconciliation, Rita begins to come to terms with events in her past . . . and discovers things about herself she never realized, including her own intimate role in John's unfolding story.

**A Double Barrelled Detective Story** Apr 01 2020 DigiCat Publishing presents to you this special edition of "A Double Barrelled Detective Story" by Mark Twain. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

*Just Mercy* Nov 20 2021 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. "[Bryan Stevenson's] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country."—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young

man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book "Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields."—David Cole, *The New York Review of Books* "Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela."—Nicholas Kristof, *The New York Times* "You don't have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful."—Ted Conover, *The New York Times* Book Review "Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he's also a gifted writer and storyteller."—*The Washington Post* "As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty."—*The Financial Times* "Brilliant."—*The Philadelphia Inquirer* **God's Story (Text Only Edition)** Mar 25 2022 This deeply researched overview of the Bible clearly sets out the grand narrative of scripture. By linking each of its many parts back to the whole, it moves beyond simply retelling biblical stories to help us to see how the Bible remains vitally relevant to our daily lives. Giving historical context and theological insight, this book functions as both an accessible introduction for new readers of the

Bible and an effective guide for those looking to grow their understanding of God's word. This is a text-only edition. For the full-colour edition, with over 150 superb images, see ISBN 978-0-74598-064-5 (HB EDITION)

A Necklace of Souls Sep 26 2019 "In a hidden kingdom a mysterious Guardian protects her people with the help of a magical necklace. But evil forces are also seeking the power of the necklace, and as the Guardian grows weaker these forces threaten to destroy the kingdom. With the help of her best friend, Will, and the enigmatic N'tombe, Dana, the rightful heir, must claim the power of the necklace and save her people. But the necklace takes a terrible toll on whoever wears it - a toll that Dana may not be prepared to face"--Publisher information.

7 (non-user's) stories on (not only) Jira governance Dec 10 2020 As per Rachel Wright's Foreword: "7 (non-user) stories on (not only) Jira governance" shows how governance, compliance, and agility, work together without all the marketing hype. Indeed - 7 (non-user's) stories on (not only) Jira governance is a guide (definitely not ultimate) for IT and business managers of mid- to CXO level how to perceive phenomenal Jira application (and others) from business perspective. Not much technical slang, but instead easily readable stories with a lot of business reference, life based use cases coming from 10+ years of managing, implementing, designing, auditing Jira solutions and teaching Jira users and administrators. Oh, if you are already bored with "Jira" word you should read it too. There are explanations why it became so fancy in business world. IMPORTANT: Income from book sales is subject for share with two NGOs of authors choice: - International Bipolar Foundation - <https://ibpf.org/> - due to author's personal experience with mentioned disorder - Global Human Rights Defence - <https://ghrdorg.wordpress.com/> - due to personal belief that there is still not enough done in this area Both NGOs will participate by getting 15% of income from every copy of e-book, and future hard-copy sold, regardless of distribution channel.

**Things I Only Did Once: Growing Up Stories** Mar 01 2020

**The Only Woman in the Room** Oct 08 2020 The New York Times and USA Today Bestseller! She possessed a stunning beauty. She also possessed a stunning mind. Could the world handle both? Her beauty almost certainly saved her from the rising Nazi party and led to marriage with an Austrian arms dealer. Underestimated in everything else, she overheard the Third Reich's plans while at her husband's side, understanding more than anyone would guess. She devised a plan to flee in disguise from their castle, and the whirlwind escape landed her in Hollywood. She became Hedy Lamarr, screen star. But she kept a secret more shocking than her heritage or her marriage: she was a scientist. And she knew a few secrets about the enemy. She had an idea that might help the country fight the Nazis...if anyone would listen to her. A powerful novel based on the incredible true story of the glamour icon and scientist whose groundbreaking invention revolutionized modern communication, *The Only Woman in the Room* is a masterpiece.

*Little Miss Peggy: Only a Nursery Story* Jan 23

2022

**Bram Stoker. Not only Dracula. Short stories analysis** Nov 08 2020 Bram Stoker is not only the author of *Dracula*, but he has also written other eleven novels and a collection of short stories. In this essay we analyse these short stories, whose plots will be revealed, to bring to light the characteristics and contradictions of an author who lived the crisis between late nineteenth and early twentieth century.

*Only the Animals* May 27 2022 Perhaps only the animals can tell us what it is to be human The souls of ten animals caught up in human conflicts over the last century and connected to both famous and little-known writers in surprising ways tell their astonishing stories of life and death. In a trench on the Western Front, a cat recalls her owner Colette's theatrical antics in Paris. In Nazi Germany, a dog seeks enlightenment. A Russian tortoise once owned by the Tolstoys drifts in space during the Cold War. During the Siege of Sarajevo, a starving bear tells a fairy tale. And a dolphin sent to Iraq by the U.S. Navy writes a letter to Sylvia Plath. Exquisitely written, playful, and poignant, Ceridwen Dovey's *Only the Animals* is a remarkable literary achievement by one of our brightest young writers. An animal's-eye-view of humans at our brutal, violent worst and our creative, imaginative best, it asks us to find our way back to empathy not only for animals but for other people, and to believe again in the redemptive power of reading and writing fiction.

*Speak Only One Word* Jun 27 2022 A last look and smile as I was passing through the folding doors. A last wave, a last kiss blown... and they were out of sight. I was struggling to swallow my tears and gulp down the big lump that had formed in my throat... When the unforeseen happens... When life seems out of control... When anxiety hits you hard... *Speak Only One Word* is an inspiring story that hands you the KEY to even more than perfect peace.

The Only Living Witness Sep 06 2020 ""The Only Living Witness" towers over the rest of the Ted Bundy bookshelf . . . (as) a monument to book-length journalism" (Jack Olsen, author of "The Misbegotten Son"). "A shining example of excellent reporting, fine writing, and a story of enduring value."--Carlton Stowers, author of "Careless Whispers."

My Only Story Sep 18 2021 In November 2019, Deon Wiggert's sensational weekly podcasts held South Africa in thrall as he hunted down the paedophile who raped him as a schoolboy. Now, in *My Only Story*, he completes his exposé of Willem Breytenbach, the once brilliant teacher and later media luminary who led a predatory life. Deon's mission to expose his abuser takes him from Breytenbach's high-school years at an agricultural school in South Africa's hinterland to the famous Grey College in Bloemfontein and the media titan Naspers. But his quest reveals so much more. As he traces systemic failures through schools great and small, he uncovers a culture of complicity that presents a clear and horrid danger to South Africa's children. While investigating men who prey on boys and girls, Deon devises a model that anyone can use to identify paedophiles in their midst. In his own words: 'It's pleasant to pretend that men don't rape children, but once you accept that they do, it

becomes surprisingly easy to recognise their trickery. Once you match a universal pattern to a specific man's profile, you can spot the deceit before it is too late.' *My Only Story* is a riveting, thoughtful and often irreverent account of one man's determination to overcome childhood trauma; to help others face their demons; and to extract some beauty from the boyhood he lost.

**The Only Two Ways to Write a Story** May 03 2020 "... A Case Book [to] serve as a basic Handbook for writers"--Foreword (p. v).

*I Only Wanted to Live* Jan 11 2021 Three mass deportations. A death sentence. One remarkable story of survival. When Leosz was only six, his life changed completely. World War II broke out in 1939, sweeping the young boy into the whirlwind of the Holocaust. For six long torturous years, Leosz sees and goes through everything: myriads of overcrowded transports headed for concentration camps, life on the streets of occupied Poland as an abandoned child, hiding from cruel Nazis, forced labor under conditions of starvation and the constant threat of death. Only one thing kept him safe--his unwavering will to go on living. This is the incredible inspiring story of a little Jewish boy who managed to survive all possible levels of hell as he clung on to life.

Stories I Only Tell My Friends Aug 30 2022 A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. *The Outsiders* placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

Jesse James, My Father Aug 18 2021 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

*Baby Bumps* Nov 28 2019 From the author of the award-winning blog *Snarky Mommy* comes a book that will make every woman who has ever been pregnant pee with laughter (not that that's hard). Wearing her highest heels and hottest pregnancy jeans, Amy Sprenger marches into her doctor's office, beverage in hand, ready to finally see whether her baby is a

boy or a girl. Sure, sure, this appointment is supposed to be about checking the health of the baby, but everyone who's ever been there knows it's really about looking for what lays, or doesn't lay, between the legs. So when the doctor tells her she has an incompetent cervix, Amy becomes immediately offended on behalf of her reproductive organs. Is that just a politically correct way of saying her cervix sucks? Unfortunately, as she's soon to learn, it's a lot more than that. The only way to keep that baby from falling out on the sidewalk (probably in front of Starbucks) is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months. Four months that are carefully detailed in this "memoir." A memoir that, while basically true, has been embellished with Amy's signature brand of humor and hilarity. With more time off than a castoff contestant on "The Bachelor," Amy takes pen to paper and settles in for the ride. But instead of sitting around eating bonbons, she's popping hypertension drugs to stave off preterm labor. And complications? Oh, she's got your complications. She's gut-rehabbing her house. Her mother moves in to care for her. Her husband takes a "mancation" while she's stuck in the hospital. And every time she has a contraction, she's convinced it's The Big One. Living by the adage that laughter is the best medicine, Amy fumbles her way through a series of sometimes serious and usually embarrassing situations. And just to be clear, using a bedpan qualifies as both serious and embarrassing. "Amy Sprenger's foray into factual fiction is a hilarious (and sometimes poignant) look at high-risk pregnancy from her view at the end of the bed. Sprenger offers a fresh and funny voice that readers will love!" -- New York Times bestselling author Jen Lancaster

**If You Only Knew** May 15 2021 What if you knew all the moments of my past that I am not proud of? What if you really knew me, the messy parts that I've hoped to forget and worked hard to conceal? For so long, my greatest fear was what you might think of me if you only knew the whole story. It's exhausting, this guarding of our stories and struggles. Fear of being found out had caused me to hide—but I wasn't just covering my flaws, I was unintentionally blocking the beauty of God's grace. My journey to real freedom began when I quit running from my mess and started trusting Jesus to make something beautiful of it. This book is that story. It's stepping out of shame and insecurity into gospel freedom. It's letting God turn our failures and frailties into testimonies of His faithfulness. I've discovered that when we quit hiding, God gets the glory and we are able to fully embrace not only our relationship with Him, but also with one another. Transparency brings freedom, and in every moment, we'll find that God can absolutely be trusted.

**Everything Is Cinema** Apr 13 2021 A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects

shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

**Stories Wanting Only to be Heard** Jul 17 2021 Founded at the University of Georgia in 1947 and published there ever since, *The Georgia Review* has become one of America's most highly regarded journals of arts and letters. Never stuffy and never shallow, *The Georgia Review* seeks a broad audience of intellectually open and curious readers--and strives to give those readers rich content that invites and sustains repeated attention and consideration. Pulitzer Prize winners and never-before-published writers are equals during the journal's manuscript evaluation process, whose goal is to identify and print stories, poems, and essays that promise to be of lasting merit. The year 2012 marks the sixty-fifth anniversary of *The Georgia Review*, and *Stories Wanting Only to Be Heard* will acknowledge that milestone by presenting a selection of the remarkable short fiction published across the decades. The collection includes the work of well-known writers, many of whom were not yet so well known when first selected for publication by *The Georgia Review*, and also highlights compelling work from writers whose names may not be as familiar but whose stories are equally compelling and memorable. The stories collected here--each one vivid, distinctive, and worthwhile to read--stand as testament to the significance of *The Georgia Review's* decades of work to identify and promote writing of exceptional quality. Publication of this book was made possible, in part, by the President's Venture Fund through generous gifts of the University of Georgia Partners.

**If Only... and Other Stories** Feb 09 2021

**Only Fools and Stories** Jan 29 2020 \*\*\* The Hilarious Number One Sunday Times Bestseller! \*\*\* The follow-up autobiography to one of Britain's best loved actors and national treasures In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn, in a follow up autobiography, he tells us about the many other lives he has lived - his characters. From Del Boy to Granville, Pop Larkin to Frost, he takes us behind the scenes and under the skins of some of the best loved acts of his career. And in the process he reflects on how those characters changed his life too. The result told with his characteristic charm and wit is both funny and poignant, honest and heart warming.

**The Seven Basic Plots** Dec 30 2019 This

remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

**Only Stories Never Die** Oct 20 2021 It's been almost one hundred million years since an asteroid impact devastated Earth, leading to the extinction of biological humans. Their digital offspring survived and slowly colonized the galaxy, printing out bodies to build and maintain the network of computers that host their digital world. Perrin is a biological boy from Earth, learning how to maintain the eco-walls separating the ecosystems that digital humans have recreated on the planet. Cereley is a PIP, a digital human girl with a hunger for the outside. When she introduces him to the dangerous world of the illegal story trade, the spark between them threatens to ignite the most explosive chain of events in a hundred million years.

**If You Could Only See Yourself and other stories** Jun 15 2021

**A Map Is Only One Story** Feb 21 2022 From rediscovering an ancestral village in China to experiencing the realities of American life as a Nigerian, the search for belonging crosses borders and generations. Selected from the archives of *Catapult* magazine, the essays in *A Map Is Only One Story* highlight the human side of immigration policies and polarized rhetoric, as twenty writers share provocative personal stories of existing between languages and cultures. Victoria Blanco relates how those with family in both El Paso and Ciudad Juárez experience life on the border. Nina Li Coomes recalls the heroines of Japanese animator Hayao Miyazaki and what they taught her about her bicultural identity. Nur Nasreen Ibrahim details her grandfather's crossing of the India-Pakistan border sixty years after Partition. Krystal A. Sital writes of how undocumented status in the United States can impact love and relationships. Porochista Khakpour describes the challenges in writing (and rewriting) *Iranian America*. Through the power of personal narratives, as told by both emerging and established writers, *A Map Is Only One Story* offers a new definition of home in the

twenty-first century.

**Only Fools and Horses - The Official Inside Story** Dec 22 2021 Only Fools and Horses - The Official Inside Story takes us behind the scenes to reveal the secrets of the hit show and is fully authorised by the family of John Sullivan, the show's creator and writer. The book is based on dozens of one-to-one interviews conducted by author Steve Clark with the show's stars including Sir David Jason and Nicholas Lyndhurst and key members of the production team.

Only in New England Aug 06 2020 Fictional account based on a true crime.

*The Only Story* Nov 01 2022 One of the Best Books of the Year: San Francisco Chronicle, Financial Times Most of us have only one story to tell . . . only one that matters, only one finally worth telling. This is mine. One summer in the sixties, in a staid suburb south of London, nineteen-year-old Paul comes home from university and is urged by his mother to join the tennis club. There he's partnered with Susan Macleod, a fine player who's forty-eight, confident, witty, and married, with two nearly adult daughters. She is a warm companion, her bond with Paul immediate. And soon, inevitably, they are lovers. Basking in the glow of one another, they set up house together in London. Decades later, Paul looks back at how they fell in love and how—gradually, relentlessly—everything fell apart. As he turns over his only story in his mind, examining it from different vantage points, he finds himself confronted with the contradictions and slips of his own memory—and the ways in which our

narratives and our lives shape one another.

Poignant, vivid and profound, *The Only Story* is a searing novel of memory, devotion, and how first love fixes a life forever.

**Only 13** Mar 13 2021 A look at Thailand's booming sex tourism industry features the story of Lon, a poor girl who was expected to be the primary income earner for her family and who found herself caught in the country's lucrative trade in child sex.

Never Broken Jul 05 2020 The singer and songwriter explores her struggles with abuse at the hands of unconventional and highly creative family members in Alaska before rising to unexpected fame and becoming a parent.

**Only Love is Real** Jul 25 2019 A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...

**Only God** Oct 27 2019 Experience firsthand
