[The New Faces of American Poverty: A Reference Guide to the Great Recession \[2 Volumes\]](#) Feb 23

2022 A timely examination of the effects of the Great Recession on Americans and the resulting federal reforms to healthcare, employment, and housing policies as a means to alleviate poverty. The Great Recession (2007 to 2009) brought the United States—routinely touted as the richest country in the world—to historical levels of poverty. Rising unemployment, government budget crises, and the collapse of the housing market had devastating effects on the poor and middle class. This is one of the first books to focus on the impact of the Great Recession on poverty in America, examining governmental and cultural responses to the economic downturn; the demographics of poverty by gender, age, occupation, education, geographical area, and ethnic identity; and federal and state efforts toward reform and relief. Essays from more than 20 contributing writers explore the history of poverty in America and provide a vision of what lies ahead for the American economy. Offers a detailed analysis of the impact of the Great Recession on poverty rates across 21 distinct demographic groups, including immigrants, children, seniors, veterans, and various racial and ethnic groups Provides a basis for understanding the causes of the economic crises and the impact on the daily lives of individuals, families, and groups Includes more than 20 contributing writers from universities and anti-poverty programs from across the country Presents charts and graphics to illustrate key aspects of the Great Recession Examines multiple groups in society in terms of how they have been affected by the Great Recession, rather than being limited to one or two segments of the population Looks across multiple regions in terms of groups, segments of the economy, and

political trends Provides secondary looks past the first group boundaries to delve deeper into the circumstances of those whose circumstances have drastically changed by the Great Recession

The Independent Schools Guide 2004-2005 Mar 27 2022 British education is recognized

worldwide for its excellent academic standards and tradition of welcoming overseas students. This annual publication is the ideal reference for families relocating to the UK, or who would like their child to attend a boarding school there. It provides the detailed information parents need to make a fully informed choice, including: * Extensive indices for over 2,000 schools, classified by county, religious * affiliation, sex, provision for dyslexia plus details of specialist schools; * School fee planning, plus details of scholarships, bursaries and other awards; GCSEs, A Levels, Scottish examinations, GNVQs and the International Baccalaureate Guidance. The guide also includes a parent's guide to the sixth form and beyond, including university entry and careers, detailed profiles of over 200 schools and colleges and useful addresses and associations.

The Independent Schools Guide Apr 27 2022 Few decisions are harder to make for a parent than finding a suitable school for their child. The Independent Schools Guide, now in its twelfth edition, provides the detailed information parents need to make a fully informed choice. It includes extensive indices for over 2,000 schools, classified by county, religious affiliation, sex, provision for dyslexia plus details of specialist schools. There is also useful advice on school fee planning, plus details of scholarships, bursaries and other awards. This up-to-date guide provides thorough information on the levels of awards including GCSEs, A Levels, Scottish examinations, GNVQs and the International Baccalaureate. There is also guidance for overseas parents, including advice on language support and guardianship for children attending boarding school in the United Kingdom. Complete with a parent's guide to the sixth form and beyond, covering university entry and careers, and a directory of useful addresses and associations, this is invaluable reading for any parent seeking educational advice.
