Teaching English Jan 13 2021

Reflective practice is at the heart of effective teaching, and this book helps you develop into a reflective teacher of English. Everything you need is here: guidance on developing your analysis and self-evaluation skills, the knowledge of what you are trying to achieve and why, and examples of how experienced teachers deliver successful lessons. The book shows you how to plan lessons, how to make good use of resources and how to assess pupils' progress effectively. Each chapter contains points for reflection, which encourage you to break off from your reading and think about the challenging questions that you face as a new teacher. The book comes with access to a companion website, www.sagepub.co.uk/secondary, where you will find: - Videos of real lessons so you can see the skills discussed in the text in action - Links to a range of sites that provide useful additional support - Extra planning and resource materials. If you are training to teach English this book will help you to improve your classroom performance, by providing you with practical advice, but also by helping you to think in depth about the key issues. It also provides examples of the research evidence that is needed in academic work at Masters level, essential for anyone undertaking an M-level PGCE.

Leanora Sutter. Esther Hirsh. Merlin Van Tornhout. Johnny Reeves . . . These characters are among the unforgettable cast inhabiting a small Vermont town in 1924. A town that turns against its own when the Ku Klux Klan moves in. No one is safe, especially the two youngest, twelve-year-old Leanora, an African-American girl, and six-year-old Esther, who is Jewish. In this story of a community on the brink of disaster, told through the haunting and impassioned voices of its inhabitants,

Newbery Award winner Karen Hesse takes readers into the hearts and minds of those who bear witness.

King Lear Mar 27 2022 King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes

substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

It also offers additional 400 practice questions that are available online.

The Crucible Nov 03 2022 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony

Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

Shakespeare's Theatre: A History Feb 11 2021

Shakespeare's Theatre: A History examines the theatre spaces used by William Shakespeare, and explores these spaces in relation to the social and political framework of the Elizabethan era. The text journeys from the performing spaces of the provincial inns, guild halls and houses of the gentry of the Bard's early career, to the purpose-built outdoor playhouses of London, including the Globe, the Theatre, and the Curtain, and the royal courts of Elizabeth and James I. The author also discusses the players for whom Shakespeare wrote, and the positioning— or dispositioning— of audience members in relation to the stage. Widely and deeply researched, this fascinating volume is the first to draw on the most recent archaeological work on the remains of the Rose and the Globe, as well as continuing publications from the Records of Early English Drama project. The book also explores the contentious view

that the 'plot' of The Seven Deadly Sins (part II), provides unprecedented insight into the working practices of Shakespeare's company and includes a complete and modernized version of the 'plot'. Throughout, the author relates the practicalities of early modern playing to the evolving systems of aristocratic patronage and royal licensing within which they developed Insightful and engaging, Shakespeare's Theatre is ideal reading for undergraduates, postgraduates, and scholars of literature and theatre studies.
