The 10X Rule Sep 27 2019 Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

Pro Go Feb 22 2022 Best-selling author Adam Freeman explains how to get the most from Go, starting from the basics and building up to the most advanced and sophisticated features. You will learn how Go builds on a simple and consistent type system to create a comprehensive and productive development experience that produces fast and robust applications that run across platforms. Go, also known as Golang, is the concise and efficient programming language designed by Google for creating high-performance, cross-platform applications. Go combines strong static types with simple syntax and a comprehensive standard library to increase programmer productivity, while still supporting features such as concurrent/parallel programming. Each topic is covered in a clear, concise, no-nonsense approach that is packed with the details you need to learn to be truly effective. Chapters include common problems and how to avoid them. What You Will Learn Gain a solid understanding of the Go language and tools Gain in-depth knowledge of the Go standard library Use Go for concurrent/parallel tasks Use Go for client- and server-side development Who This Book Is For Experienced developers who want to use Go to create applications

[Summary Of "Go Pro: 7 Steps To Becoming A Network Marketing Professional - By Eric Worre"](#) Aug 31 2022 ORIGINAL BOOK DESCRIPTION: Go Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self-management for both time and decisions. The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income. In these lines, we present the best of these ideas. - ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blabs into themes for the people who are just not going to read the whole book. All this information is in the original book.

Turning Pro Oct 21 2021 The follow-up to his bestseller *The War of Art*, Turning Pro navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. WHAT WE GET WHEN WE TURN PRO. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

Go Pro Oct 01 2022 Over twenty years ago, Worre began focusing on developing the skills to become a network marketing expert. Now he shares his wisdom in a guide that will ignite your passion for this profession and help you make the decision to create the life of your dreams. He shows you how to find prospects, present your product, help them become customers or distributors, and much more. Urban Apologetics Oct 09 2020 Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond.

Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, Urban Apologetics is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetism, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apologetics in urban communities with the best available information.

[Before You Go Pro](#) Jun 28 2022 Before You Go Pro, is a very candid look into author Terrence Wood's life working within the family business. Football. From the moment his grandfather was inducted into the National Football League Hall of Fame, Terrence was on a tenacious mission to follow in his grandfather's footsteps of playing in the NFL. But with every dream comes triumphs and challenges, successes and failures. Before You Go Pro is not just a story. Before You Go Pro is a look "behind the curtain." Readers will gain a true insider perspective of this multi-billion dollar entertainment industry that we call College and Professional football. Within the book you will find, valuable gems of advice and great teaching points for any aspiring football player. With generational football ties, Terrence puts a very unique spin on his view of his football career and the game as a whole. This book speaks directly to the athlete who may want to play Big-time College or Professional Football one day, but is still naive to the business of the sport. If you play football, know someone who plays or coaches football, or just love the game. You will thoroughly enjoy this read!

The GoPro Handbook: A Professionals Guide to Filmmaking Apr 26 2022 FROM THE #1 TUTORIAL WEBSITE ON GoPro CAMERAS This Guide Book will teach you everything you need to know to create unique and engaging videos with any GoPro camera edition, from HERO3 up to HERO7. With over 130 pages of valuable information, 100+ color images and illustrations, the GoPro Handbook was rated as the most complete filmmaking guide for GoPro cameras. It provides easy to understand lessons about: • The fundamentals of Photography & Videography • How to choose your camera settings • Story-telling: how to plan and create a compelling story • Camera Gear and GoPro Accessories • Video Production: Camera Movements, Composition and Light • Filming Techniques: Time-Lapse, Hyper-Lapse and Slow Motion • Tips for capturing better Photos • Video editing tips for any software Whether you are a video enthusiast, an athlete or a traveler, this book has all the ingredients to take you from a beginner to an advanced level with GoPro. Inside, you will also find useful resources for free editing software as well as online stock music libraries for your video edits. "I'm new to GoPro and this guide was perfect for me to get started. The book provides useful information on how to make compelling videos using any GoPro, with a great focus on storytelling. It's easy to read and there are lots of tips and tricks on filming techniques and how to use the camera efficiently. I am so excited to make my first GoPro video on my next trip now." Alisha Van B, Photojournalist

Gym Candy Apr 02 2020 "Look, Mick," he said, "you're going to find out from somebody in the gym, so you might as well find out from me. Those supplements you're taking? They might get you a little bigger, but just a little. If you're after serious results, there's other stuff that produces better results much faster, stuff that a lot of guys in the gym use." "What other stuff?" "You know what I'm talking about—gym candy." Runningback Mick Johnson has dreams: dreams of cutting back, finding the hole, breaking into the open, and running free with nothing but green grass ahead. He has dreams of winning and of being the best. But football is a cruel sport. It requires power, grace, speed, quickness, and knowledge of the game. It takes luck, too. One crazy bounce can turn a likely victory into sudden defeat. What elite athlete wouldn't look for an edge? A way to make him bigger, stronger, faster? This novel explores the dark corners of the heart of a young football player as he struggles for success under the always glaring—and often unforgiving—stadium lights.

[The End Game](#) Nov 09 2020 "Professional athletes are pillars of their respective communities. They are heroes in the eyes of boys and girls and are expected to conduct themselves in a manner that positively represents their community." The public loves a good scandal. Seeing someone fall from the pinnacle of success makes a great headline. No one knows that better than I do. What started out as a promising career in college football, spiralled into scandal and shame. But being a hero is easier said than done. Especially when there are those who expected to see the great Brody Madden fail. I craved nothing except being the best-willing to do anything to prove them wrong. But I went too far, and I tried too hard, and it broke me. "At the time of going to print, Jordan Elliott was unavailable for comment." I met Brody Madden in my senior year of college. An Australian native on an international scholarship, I was the female soccer sensation with stars in her eyes and no room for a hotshot wide receiver with a chip on his shoulder. But a heart bursting with ambition and a driving fire to succeed isn't made of stone. I became his strength, his obsession, and the greatest love of his life. Only I wasn't there when he needed me most. This is a story about love and a game that takes everything. Where the path to glory is paved with sacrifice. Where pressure makes you, or breaks you, and triumph is born in the ashes of failure. Where two people's end game will change everything. *** 18+ recommended. Contains adult language and adult themes.

[The Slight Edge](#) Mar 02 2020 The Slight Edge is a way of thinking, a way of processing information that enables you to make the daily choices that will lead you to the success and happiness you desire. Learn why some people make dream after dream come true, while others just continue dreaming and spend their lives building dreams for someone else. It's not just another self-help motivation tool of methods you must learn in order to travel the path to success. It shows you how to create powerful results from the simple daily activities of your life, by using tools that are already within you. In this 8th anniversary edition you'll read not only the life-changing concepts of the original book, but also learn what author Jeff Olson discovered as he continued along the slight edge path: the Secret to Happiness and the Ripple Effect. This edition of The Slight Edge isn't just the story, but also how the story continues to create life-altering dynamics—how a way of thinking, a way of processing information, can impact daily choices that will lead you to the success and happiness you desire. The Slight Edge is "the key" that will make all the other how-to books and self-help information that you read, watch and hear actually work.

One Step Closer Sep 07 2020 From the unique perspective of the executive who discovered them, One Step Closer reveals how Brad Delson's college internship was a catalyst for a group of young musical visionaries, led by Mike Shinoda, which gave rise to a band that survived countless rejections, exceeded everyone's expectations but their own, and became the voice of a generation. This against-all-odds story chronicles the early days of Linkin Park, from their first demo and Whisky a Go Go performance as Xero, through their tireless efforts to perfect their iconic sound and the discovery of Chester Bennington. Jeff Blue was there when no one else believed—first as their publisher, then as their A&R guy. This is his memoir of that incredible journey. Riveting and inspiring, One Step Closer is a testament to perseverance, as well as a detailed behind-the-scenes account of the building of a dream and what it takes to make it.

Five Feet Apart Nov 21 2021 Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her total lack of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only

thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

Sermoes de las festividades de los Santos... Traduzidos de la lengua portuguesa en la Castellana por Don Antonio de Azevedo, y Sá, portugues... Nov 29 2019

Big Bang Disruption May 04 2020 It used to take years or even decades for disruptive innovations to dethrone dominant products and services. But now any business can be devastated virtually overnight by something better and cheaper. How can executives protect themselves and harness the power of Big Bang Disruption? Just a few years ago, drivers happily spent more than \$200 for a GPS unit. But as smartphones exploded in popularity, free navigation apps exceeded the performance of stand-alone devices. Eighteen months after the debut of the navigation apps, leading GPS manufacturers had lost 85 percent of their market value. Consumer electronics and computer makers have long struggled in a world of exponential technology improvements and short product life spans. But until recently, hotels, taxi services, doctors, and energy companies had little to fear from the information revolution. Those days are gone forever. Software-based products are replacing physical goods. And every service provider must compete with cloud-based tools that offer customers a better way to interact. Today, start-ups with minimal experience and no capital can unravel your strategy before you even begin to grasp what's happening. Never mind the "innovator's dilemma"—this is the innovator's disaster. And it's happening in nearly every industry. Worse, Big Bang Disruptors may not even see you as competition. They don't share your approach to customer service, and they're not sizing up your product line to offer better prices. You may simply be collateral damage in their efforts to win completely different markets. The good news is that any business can master the strategy of the start-ups. Larry Downes and Paul Nunes analyze the origins, economics, and anatomy of Big Bang Disruption. They identify four key stages of the new innovation life cycle, helping you spot potential disruptors in time. And they offer twelve rules for defending your markets, launching disruptors of your own, and getting out while there's still time. Based on extensive research by the Accenture Institute for High Performance and in-depth interviews with entrepreneurs, investors, and executives from more than thirty industries, Big Bang Disruption will arm you with strategies and insights to thrive in this brave new world.

Building a StoryBrand Dec 11 2020 More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In Building a StoryBrand, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

Letters to a Young Athlete May 16 2021 A legendary NBA player shares his remarkable story, infused with hard-earned wisdom about the journey to self-mastery from a life at the highest level of professional sports Chris Bosh, NBA Hall of Famer, eleven-time All-Star, two-time NBA champion, Olympic gold medalist, and the league's Global Ambassador, had his playing days cut short at their prime by a freak medical condition. His extraordinary career ended "in a doctor's office in the middle of the afternoon." Forced to reckon with moving forward, he found himself looking back over the course he'd taken, to the pinnacle of the NBA and beyond. Reflecting on all he had learned from a long list of basketball legends, from LeBron and Kobe to Pat Riley and Coach K, he saw that his important lessons weren't about basketball so much as the inner game of success—right attitude, right commitment, right flow within a team. Now he shares that journey, giving us a view from the inside of what greatness feels like and what it takes. Letters to a Young Athlete offers a proven path for taming your inner voice and making it your ally, through the challenges of failure and success alike.

Code Over Country Aug 07 2020 A hard-hitting exposé of SEAL Team 6, the US military's best-known brand, that reveals how the Navy SEALs were formed, then sacrificed, in service of American empire. The Navy SEALs are, in the eyes of many Americans, the ultimate heroes. When they killed Osama Bin Laden in 2011, it was celebrated as a massive victory. Former SEALs rake in cash as leadership consultants for corporations, and young military-bound men dream of serving in their ranks. But the SEALs have lost their bearings. Investigative journalist Matthew Cole tells the story of the most lauded unit, SEAL Team 6, revealing a troubling pattern of war crimes and the deep moral rot beneath authorized narratives. From their origins in World War II, the SEALs have trained to be specialized killers with short missions. As the wars in Iraq and Afghanistan became the endless War on Terror, their violence spiraled out of control. Code Over Country details the high-level decisions that unleashed the SEALs' carnage and the coverups that prevented their crimes from coming to light. It is a necessary and rigorous investigation of the unchecked power of the military—and the harms enacted by and upon soldiers in America's name.

The Perfect First Jan 12 2021 "How long do you last in bed?" Those were her first words to me, swiftly followed up with, "And how big would you say you are?" Cue the record scratching, what? Persephone Alexander. Math genius. Lover of blazers. The only girl I know who can make Heidi braids look sexy as hell. And she's on a mission. Lose her virginity by the end of the semester. I walked in on her interview session for potential candidates (who even does that?) and saw straight through her brave front. She's got a list of Firsts to accomplish like she's only got months to live. I've decided to be her guide for all her firsts except one. Someone's got to keep her out of trouble. I have one rule, no sex. We even shook on it. I'll help her find the right guy for the job. Someone like her doesn't need someone like me and my massive...baggage for her first time. Drinking at a bar. Check. Partying all night. Double check. Skinny dipping. Triple check. She's unlike anyone I've ever met. The walls I'd put up around my heart are slowly crumbling with each touch that sets fire to my soul. I'm the first to bend the rules. One electrifying kiss changes everything and suddenly I don't want to be her first, I want to be her only. But her plan was written before I came onto the scene and now I'm determined to get her to re-write her future with me.

The Brazilian Guitar Book Jul 06 2020 * A complete guide to playing guitar accompaniment and chord melodies in various Brazilian styles -- Samba, Bossa Nova, Frevo, etc. * Comes with a CD of Nelson demonstrating each exercise, plus a tune in each style * Many variations of basic comping patterns written out, each with complete chord voicings. * Also includes short transcriptions of guitar parts as recorded by Toninho Horta, Joao Bosco, Joao Gilberto, etc.

Dare You Jul 26 2019 NEW STAND-ALONE RELEASE: Wall Street Journal bestselling author Ilsa Madden-Mills kicks off a brand-new, sexy, heartfelt contemporary romance series with I DARE YOU! Badass Athlete: I dare you to... Delaney Shaw: Who is this? The late night text is random, but "Badass Athlete" sure seems to know who she is... Delaney Shaw. Good girl. Lover of fluffy kitties and Star Wars. Curious. His dare? Spend one night in his bed—a night he promises will be unforgettable—and she can solve the mystery of who he is. She knows she shouldn't, but what else is she going to do with her boring Valentine's Day? One sexy hook-up later, her mind is blown and the secret's out. Maverick Monroe. Bad boy. The most talented football player in the country. Just ask him. Too bad for him Delaney's sworn off dating athletes forever after her last heartbreak. But Maverick wants more than one night and refuses to give up on winning Delaney's heart. She isn't one to be fazed by a set of broad shoulders. Will the bad boy land the nerd girl or will the secrets they keep from each other separate them forever?

Eake Out Aug 19 2021 Maddox. The reason I rarely go home is three simple words: I'm a liar. When the pressure to marry my childhood sweetheart became too much, I told her I was gay and then fled to New York like my ass was on fire. Now, five years later and after a drunken encounter, I find myself invited to her wedding. And I have to bring my boyfriend—the boyfriend who doesn't exist because I'm straight. At least, I think I am. Meeting the guy I'm bribing to be my boyfriend for the weekend makes me question everything about myself. Damon. When my sister asks me to pretend to be some straight guy's boyfriend, my automatic response is to say no. It's because of guys like him people don't believe me when I tell them I'm gay. But Maddox has something I need. After an injury that cost me my baseball career, I'm trying to leave my playing days behind and focus on being the best sports agent I can be. Forty-eight hours with my sister's best friend in exchange for a meeting with a possible client. I can do this. I just wish he wasn't so hot. Or that he didn't kiss like he means it. Wait? Why is the straight guy kissing me?

Rock F*ck Club Jun 24 2019 Josephine Poet has completed filming for her season of the Rock F*ck Club. The rocker she has chosen has invited her to take a long ride with him... on his motorcycle. She wants nothing more than to spend every moment she can with the handsome lead singer of Anthem. But is the Rock F*ck Club really through for her? Are her troubles truly behind her... or are they lurking just around the next bend in the road?

Offside Jun 16 2021 When hockey phenom Billie-Jo Barker returns home and decides to play in the local Friday night hockey league, all hell breaks loose. Not because Billie's talent is in question, but because Billie is a woman. And though these are modern times, some of the local guys still have a problem letting a girl into their "men's club." Soon, Billie is at the center of a small town battle of the sexes, with everyone choosing sides. Her sisters. The townsfolk. Her friends. And yet, the only person whose opinion she cares about doesn't seem to care much at all. Logan Forest, the man who broke her heart when she was eighteen and the man she now shares the bench with every Friday night. She's got a lot to prove and though Billie Jo Barker scores on the ice, will this girl ever score with the man of her dreams?

Memory man May 28 2022

The Slam Jan 24 2022 From the New York Times and USA Today Bestselling author, Haleigh Lovell, comes a sexy, new standalone novel. His best strokes can be found off the court. THE SLAM is a sexy and flirty New Adult Sports Romance guaranteed to make you laugh and make you wet.

Blame It on the Pain Feb 10 2021 Pain. It hurts us. It pushes us. Or, for the few poor souls out there like me... it defines us. I'm not a good person. There are no redeeming qualities about me... not anymore. Any that I had, I'd given to the devil on the night that changed everything. The night my baby sister died. The night I murdered her killer. Yes, I've taken a life... and I would do it again in a heartbeat. And I would never, ever, have an ounce of regret for being who I am. Until her. My name is Jackson Reid. There are two things you need to know about me. The first is that I'm in love with Alyssa Tanner. The second is that I'm a murderer. My name is Alyssa Tanner, but you probably know me as the whore who caused her step-father to lose the election for New York City Mayor. And you would be right—because the day the world branded me a slut I decided to become one. You think you know all there is to know about me because you've seen what I look like naked. Believe me, you haven't even cracked the surface. What you don't know is my past, because I've been forced to keep it a secret to ensure my safety. What you don't know is my pain. Because if you did—you'd be dead. I bet you think you know how this story will unfold... but trust me, you really have no idea. Warning: Due to strong language, some violence, explicit sexual content, and some dark elements, this book is not intended for readers under the age of 18. This is a full-length, novel. (100,000+ words.)

Touchdown Tony Apr 14 2021 "The true story of the star running back featured in the movie Woodlawn"—Dust jacket.

The Ultimate Guide to GoPro Hero 9 Jul 30 2022 The Ultimate Guide to the GoPro Hero 9 Learn how to use the GoPro Hero 9 Black like a pro! You will be given real life, in-the-field examples of when to use each setting and how to get amazing footage. After you have mastered the mechanics of the camera, this book will teach you how to use it in the field with an in-depth look into beginner and advanced mounting, photo composition, planning and more. Extensive storytelling and editing sections will help you master the art of filmmaking as well. Full of stunning and inspirational photos to show you what is possible with the camera. This book is the stepping stone from casual user to GoPro expert filmmaker or photographer. Take your photos and videos to the next level!

Late Bloomers Jun 04 2020 A groundbreaking exploration of how finding one's way later in life can be an advantage to long-term achievement and happiness. "What Yogi Berra observed about a baseball game—it ain't over till it's over—is true about life, and [Late Bloomers] is the ultimate proof of this. . . . It's a keeper." —Forbes We live in a society where kids and parents are obsessed with early achievement, from getting perfect scores on SATs to getting into Ivy League colleges to landing an amazing job at Google or Facebook—or even better, creating a start-up with the potential to be the next Google, Facebook or Uber. We see coders and entrepreneurs become millionaires or billionaires before age thirty, and feel we are failing if we are not one of them. Late bloomers, on the other hand, are under-valued—in popular culture, by educators and employers, and even unwittingly by parents. Yet the fact is, a lot of us—most of us—do not explode out of the gates in life. We have to discover our passions and talents and gifts. That was true for author Rich Karlgaard, who had a mediocre academic career at Stanford (which he got into by a fluke) and, after graduating, worked as a dishwasher and night watchman before finding the inner motivation and drive that ultimately led him to start up a high-tech magazine in Silicon Valley, and eventually to become the publisher of Forbes magazine. There is a scientific explanation for why so many of us bloom later in life. The executive function of our brains doesn't mature until age twenty-five, and later for some. In fact, our brain's capabilities peak at different ages. We actually experience multiple periods of blooming in our lives. Moreover, late bloomers enjoy hidden strengths because they take their time to discover their way in life—strengths coveted by many employers and partners—including curiosity, insight, compassion, resilience, and wisdom. Based on years of research, personal experience, interviews with neuroscientists, psychologists, and countless people at different stages of their careers, Late Bloomers reveals how and when we achieve our full potential. Praise for Late Bloomers "The underlying message that we should consider a kinder clock for human development" is a compelling one. —Financial Times "Late Bloomers spoke to me deeply as a parent of two millennials and as a coach to many new college grads (the children of my friends and associates). It's a bracing tonic for the anxiety they are swimming through, with a facts-based approach to help us all calm down." —Robin Wolaner, founder of Parenting magazine

Unleash the Power Within Jan 30 2020

The Setup Jul 18 2021 I've fallen victim to a heinous act. An act so vile, so downright dirty, that I'm not sure as a twenty-year-old man I'll ever recover. Brace yourself, because what I'm about to tell you might have you gasping in secondhand horror. Ready? Here it goes . . . I've recently become the pawn of a meddling mom. Yes . . . A MEDDLING MOM--who's been trying to set me up all summer. Now, I understand it's not a crime for a mother to want her child to fall in love, but when she makes it her relentless MISSION, the heinous act should be classified as a misdemeanor at least. Of course, my mom, the evil matriarch in the devil's leggings, made her final stab at finding a girl for me days before I went back to college. And I hate to admit it, but she saved a doozy for last. A titan in black skinny jeans. A boss of nonchalance. And a girl who would not only turn my life upside down, but do it while juggling a soccer ball, looking effortlessly gorgeous around campus, and is one hundred percent against relationships. Of any sort. Thanks, Mom.

The African Film Industry Dec 31 2019 The production and distribution of film and audiovisual works is one of the most dynamic growth sectors in the world. Thanks to digital technologies, production has been growing rapidly in Africa in recent years. For the first time, a complete mapping of the film and audiovisual industry in 54 States of the African continent is available, including quantitative and qualitative data and an analysis of their strengths and weaknesses at the continental and regional levels. The report proposes strategic recommendations for the development of the film and audiovisual sectors in Africa and invites policymakers, professional organizations, firms, filmmakers and artists to implement them in a concerted manner.
