Why I Am Still Surprised by the Voice of God Aug 06 2020 Jesus knew the Bible better than anyone, yet he claimed that he had to hear his Father's voice in order to fulfill God's purposes for his life. His enemies, the religious elite, had supreme confidence in their knowledge of Scripture, yet Jesus said that none of them had ever heard the voice of the Father. When Jack Deere turned seventeen, he did not know God or a single verse of Scripture. Then, one night a friend quoted John 10:28 to him, and he believed in Jesus. At twenty-seven, he became

a professor of Old Testament Exegesis and Semitic Languages at Dallas Theological Seminary where he taught his students to avoid the trap of believing that God still spoke outside the pages of the Bible. He believed it was all real—just as the authors of the Old and New Testaments had said it happened—but it no longer happened today. People who believed God had spoken to them personally were emotionally unstable or too lazy to read the Bible. After a trusted friend shared he believed God still spoke today, Jack began a thorough study of every instance of God speaking supernaturally to someone in the New Testament. He saw how they didn't just hear the voice of God; they were dependent on the voice of God to fulfill the highest purpose for their lives. Jack became convinced that we should expect God to speak outside the Scriptures, but

he didn't have a clue how to hear his voice. This is the story of how Jack Deere learned to hear the voice of God and, in doing so, became a friend of Jesus. Now a modern classic, Jack wrote *Surprised by the Voice of God* over twenty-five years ago. Based on that first book, *Why I Am Still Surprised by the Voice of God* has been entirely rewritten and includes additional thoughts and insights from a lifetime of hearing God speak. Deere guides you through the Bible to discover the variety of creative, deeply personal ways God still communicates with us today. You'll learn how God speaks with people apart from the Bible, though never in contradiction to it. Deere first describes the ways God revealed his thoughts to the men and women of the Bible, and then shares why God continues to speak to us today using the same methods. He provides counsel and guidance for knowing how to accurately hear God speak through prophecies, dreams, visions, and other forms of divine communication. With candor, sensitivity, and a profound understanding of Scripture, Deere identifies our hindrances to hearing the voice of God and calls us to a more intimate relationship with God. Filled with fascinating stories and personal accounts, *Why I Am Still Surprised by the Voice of God* is for all who want to walk in friendship with God.

How to Listen When God Is Speaking Jul 29 2022 How do we listen to God speak to our hearts, minds, and wills especially above the noise and stress of the modern world? What is the process of discerning God's will? Best-selling author and popular EWTN host Fr. Mitch Pacwa, SJ, tackles these and other questions in this comprehensive book on discernment. He says that first we need to believe in God and his moral laws and make a commitment to please him in all that we do. Then we need to pray so that we can experience the peace that can come only from God. Fr. Pacwa draws from St. Ignatius' *Spiritual Exercises*, using plenty of everyday examples as well as stories from Scripture to help clarify his points. He encourages readers to develop a rich prayer life and says we can learn to listen to God's powerful voice and hear him speaking lovingly to us even when we are suffering in some way. Confronts modern-day assumptions that can prevent us from being open to God's will for our lives.

Emphasizes the many ways we can develop our prayer life to nourish an authentic relationship with the Lord.

Everyone Speaking the Word of God Jan 23 2022 God desires all men to come to the full knowledge of the truth. He also desires that we, as believers, would speak for Him. Everyone may speak for God and everyone can speak for God. In the Old Testament, when sixty-eight elders came before the Lord and began to speak for the Lord, Moses said to Joshua, "Oh that all Jehovah's people were prophets" (Num. 11:29). In the New Testament, Paul boldly stated, "You can all prophesy one by one" (1 Cor. 14:31). In *Everyone Speaking the Word of God*, Witness Lee encourages the believers to begin to speak for God by speaking the Word of God. For this he stresses the need for training and even a solid and systematic education in the Word of God so the truths in the Word become the words in our mouth. He identifies ten categories of the Word that must become experiential to us through study, prayer, and the filling of the Spirit. These include the word of grace, the word of truth, the word of the gospel, the word of life, the healthy word, the edifying word, the word of righteousness, the word of knowledge, and the word of wisdom. [Learning to Speak God from Scratch](#) Apr 01 2020 In a rapidly changing culture, many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others, like lost and sin, have become so negative they are nearly conversation-enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City, he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith—and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book, Jonathan revives ancient expressions through incisive cultural commentary, vulnerable personal narratives, and surprising biblical insights. Both provocative and liberating, *Learning to Speak God from Scratch* will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them.

Speaking of God Mar 01 2020 In this theological tour de force D. Stephen Long addresses a key question in current theological debate: the conditions of the possibility of God-talk, along with attending questions about natural theology, fideism, and theological truth-claims. He engages not only the most significant contemporary theologians and philosophers on

this score (Denys Turner, Bruce Marshall, Charles Taylor, Fergus Kerr) but also the legacy of twentieth-century theology (Barth, von Balthasar) and the analytic philosophical tradition from Wittgenstein to Davidson. Throughout, Long sustains a careful exegetical engagement with Aquinas, showing that what is at stake in contemporary theology is just how we inherit St. Thomas. / Central to Long's project is averting the charge of fideism so often laid at the feet of postliberal approaches (like his own). To that end Long argues for a (chastened) natural theology, while challenging any simple distinction between natural and confessional theology. / In joining these many voices into one conversation, Long does a remarkable job of surveying the current theological scene with respect to issues of language and truth, arguing for the need to deal head-on with classical questions of metaphysics. . . . An excellent and significant book. James K. A. Smith / Calvin College / Long's discussion of the topic of God and language offers a refreshingly original treatment of traditional approaches. His book cannot be ignored by anyone interested in this topic at any level. John Milbank / University of Nottingham

[God Is Speaking, Are You Listening?](#) Jun 27 2022 It all began when I finally desired quiet time in God's presence. He, being my Lord and Savior, gave me a need to hear encouragement and guidance from Him. Knowing I belong to my God, Jesus died for my sins and I am filled with His Spirit, gave me peace and confidence, but I felt there was more I needed. I longed to hear

from Him. Was this really possible? How would I know it was Him? I would enter my prayer time as usual, with quiet meditation, praise and worship from my heart and lips. I'd then pick up my prayer journal for personal prayers, petitions and intercession for others. In my spirit I would, at times, receive words of affirmation during my prayer time, then when finished, be guided to pick up my pen and begin to write. I not only realized that God was giving me these words to write and encourage me with, but each one was always one page long. After almost a year, I began to transfer them to my computer. As I did, I was also given a title and a Scripture to go with each one. All I knew was this ability was definitely God given to me for His purpose. Soon I was realizing it wasn't all for me, I was prompted to share them, on occasion with others. This began a list of folks who wanted to receive them on a regular basis. The list continued to grow; and God continued to encourage me through others to write more, as He led me. What I thought was God speaking to me only, in reality, He is able to speak to others through a devotional simple folk like me put down on paper. I pray they will bless and encourage all who read them, as they have been for me. May this book always be a reminder to us that God is speaking, are you listening?

Creative Prayer Jun 15 2021 A young man is deeply in love with a young woman. He pours out his heart, singing to her, writing poems for her, giving her beautiful flowers. And how does she express her love back to him? She talks, usually briefly. And that's all. That's an imbalanced relationship, but it's an accurate picture of our communication with God. God speaks with pictures, symbols, music, tastes, smells, and all the rich diversity of creation. So why do we express ourselves to Him with nothing more than words? Connect with Our Creative God In *Creative Prayer*, Chris Tiegreen encourages us to communicate more intimately with God by speaking the language of His heart. Drawing on Bible stories, psalms, and historical examples, Tiegreen reminds us that our praises and petitions can reflect the unique gifts God has given us. Singing. Painting. Cymbals. Dancing. God has always encouraged his people to respond to him in bold, visual, active, and energetic ways. As God shows us every day in a

thousand ways, real love cannot be contained.

The Voice of God Jul 17 2021 Many Christians question whether prophecy is still a valid gift in today's world. In this practical, biblical examination of the gift of prophecy, you'll get a clear picture of what prophecy is and how it works - in the lives of individuals through personal prophecy and in entire churches and groups through corporate prophecy.

The History of God Speaking Feb 21 2022 Surely most evangelicals would affirm the Bible is the Word of God. It is the record of what God has spoken, what He wanted us to know; it is the revelation of Himself and His will. He has declared that what He has given to us is sufficient for us. If all we can know about God can only be found in the pages of Scripture, is that enough? Does He still speak, and if so, how? If He speaks personal revelation to individual believers, what is to be done with such revelation? Is that assumed revelation as authoritative and accurate as the biblical text? Can we know for sure that it came from God? The answers to these questions carry serious consequences. We need to carefully examine what God has recorded in order to accurately understand how God has spoken and how He continues to speak.

God Speaks Apr 25 2022 An explanation of the theme of creation and its purpose, by the founder of a new religion.

You Can Hear the Voice of God Oct 08 2020 When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships,

expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice.

"With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

Frequency May 03 2020 Hearing God is not something you do. Hearing God is someone you are. In *Frequency*, Robert Morris reveals a groundbreaking, Bible-based teaching about hearing God's voice. When we begin to understand the general and specific ways God speaks to us, then we can begin to cultivate a life of deeper connection with our Creator. In *Frequency*, readers will... Gain a better understanding of how to recognize God's voice Value the voice of the Lord Discern the general voice of God from the specific voice of God Grow in their relationship with the Lord by developing consistent time with His Word Enjoy drawing closer to their Creator *Frequency* will demystify the process of hearing God and take you to a new level in your faith. God is speaking. Are you listening?

God Is Speaking - Are You Listening? My Story Mar 13 2021 In July 1998, GOD approached a

man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. GOD is speaking - Are you listening? My Story is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD's Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.

God Is Not Nice Aug 25 2019 Ulrich L. Lehner reintroduces Christians to the true God—not the polite, easygoing, divine therapist who doesn't ask much of us, but the Almighty God who is unpredictable, awe-inspiring, and demands our entire lives. Stripping away the niceties with a sling blade, Lehner shows that God is more strange and beautiful than we imagine, and wants to know and transform us in the most intimate way. With his iconoclastic new book *God Is Not Nice*, Lehner, one of the most promising young Catholic theologians in America, challenges the God of popular culture and many of our churches and reintroduces the God of the Bible and traditional Christianity. As Lehner writes in the book's introduction, "We all need the vaccine of the true transforming and mysterious character of God: The God who shows up in burning bushes, speaks through donkeys, drives demons into pigs, throws Saul from his horse, and appears to St. Francis. It's only this God who has the power to challenge us, change us, and make our lives dangerous. He sweeps us into a great adventure that will make us into different people." This book is not safe. It may startle and annoy many people—including those who purport to teach and preach the Gospel, but are missing it, according to Lehner. *God Is Not Nice* intends to overthrow all of our popular misconceptions about God, inviting us to ask deeper questions about the nature of our lives and our relationship with him. When you're finished with *God Is Not Nice*, you may find the idols you constructed in God's name smashed, replaced with a God who will ask you to live an entirely different life full of hope and transformation.

God Is Speaking - Are You Listening? Oct 27 2019 In July 1998, GOD approached a man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. "GOD is speaking - Are you listening? My Story" is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.

God Talk Jun 03 2020 Does God speak?The answer seems clear. Books abound on the topic of hearing God's voice. And many believers testify to God's conversational guidance in their life: "God told me to help you." "I knew it was God speaking to me."Our culture reinforces the idea that speaking--constant speaking--is good and natural and essential. In those rare moments during a day when talking ceases or when we're alone, we quickly find some way to fill the void, whether turning on the television or radio, or calling someone on the phone. With others, and especially with God, we get the message: speaking is good, silence is bad. But still, Ruth Tucker is not afraid to ask the question, "Does

God speak?" And her answer might surprise you. She urges caution in speaking about hearing God, pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don't feeling spiritually inferior. Further, she shows how the expectation of conversation may too easily humanize God in our minds, causing us to approach God with the same attitude we have when we call a friend on the phone. And if God does speak, how can we be sure our own desires are not affecting our interpretation of God's voice? In *God Talk* Tucker offers us a new paradigm for viewing silence and prayer. Rather than feeling inferior when we don't hear God speak, she helps us lean more deeply on his silent, Spirit-inspired Word. By examining the Trinity, Tucker gives us a new glimpse of how God the Father spoke his words in the past, how Christ the Incarnate Word lived among us, and how the Holy Spirit speaks to us now through Scripture. Here is a probing, thought-provoking read on how our present, active, powerful God relates to us and how we, in turn, should relate to God.

When God Speaks Nov 28 2019 Listening to the voice of God directs us toward a life of joy, contentment, and trust in God in all circumstances. God is always with us. When we take the time to pray, listen, to reflect, to block out the noise of the world, we can experience God's presence. Through the pages of this book, you will come to understand the many ways that God speaks to all of us. As we open our minds and hearts, cultivate the time to be aware and listen, and develop our prayer journey, we draw closer to the heart of God. The author highlights stories from various people who in their ordinary lives discerned His voice and His love for them. Sometimes God's voice was audible; other times it was through Scripture or a divine revelation. No matter what form God chose to communicate, it was every bit as meaningful. One person shares how he listened to God's voice through divine intervention guiding him to make a life-changing decision for his family. Another heard the voice of God through a series of events as she visited patients in hospitals and nursing homes. Still another meets God through the beauty of nature. God spoke to the saints and prophets of the past--and He continues to speak to us today. Not all voices are from God. It

is important to discern that which brings peace and that which divides and causes unrest. When *God Speaks* is a series of uplifting and personal stories that will help the reader to discern the difference. The author's hope is that you will recall similar occurrences of unexplainable joy in your own lives, or a strong passion calling you to service. This book can be used by small faith groups in churches and by book clubs. It would appeal to youth groups, senior groups, Cursillo or Emmaus groups, pastors, and those wanting to deepen their prayerful relationship with God.

When God is Silent Feb 09 2021 *When God Is Silent* shows you how to trust God even when He seems unresponsive and remote — even when, as in the famous incident in the Gospels, He seems to sleep while you are buffeted by the storms of life. Author Luis Martinez quotes that beautiful line from the Song of Songs — “I sleep, but my heart is awake” — and confirms that with Jesus this is indeed the case: His love for you never sleeps, no matter what. Martinez shows how you can make better sense of your life once you realize that God has actually been closest to you when He seemed farthest away; and once you learn why He often speaks to you only in silence. Best of all, Martinez teaches you the secret of true happiness, which you can achieve even amid the troubles that are inescapable elements of every human life. With sober realism and simple faith, this book will show you how to discover — and then to take refuge in — the comfort our Lord offers you, even when He seems to sleep. “A powerful masterpiece.
