Shipboard Regulations Manual Mar 14 2021 This Manual promulgates a standard Shipboard Regulations Manual for all United States Coast Guard cutters equal to or greater than 65 feet in length. This Manual primarily combines information from other relevant directives and publications. This guidance helps cutter commands and crews address situations and events, and ensure safety, well-being, and good order and discipline. All members serving aboard the cutters of the Coast Guard have a duty to comply with the provisions of this manual. Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com>
