Judy Upton Plays 2 Nov 30 2019 Since her early break-through at the Royal Court Theatre in 1995, where she won the George Devine award and was joint winner of the Verity Bargate Award, Judy Upton has proven herself to be one of Britain's most prolific and diverse writers. In this, her second collection, we see work ranging from 1995 through to the 2000s and a collection of short work created during the 2020 Coronavirus pandemic. Bruises (1995) Royal Court Theatre, London - "This is no angry polemic but a subtly atmospheric piece ... Neither writer nor director seeks easy answers in this coolly disturbing view of an issue usually hammered home with both fists." (Evening Standard) The Girlz (1998) Orange Tree, London - "Judy Upton's ever-promising career takes another small leap forward with this tantalising foray into characteristic Upton territory, the febrile world of foul-mouthed, disadvantaged young females from the south-east." (Time Out) Sliding With Suzanne (2001) Royal Court Theatre, London - "Judy Upton probably won't thank me for saying so, but her new play, Sliding with Suzanne, comes over as that rarest of phenomena - a contemporary play with a Right-wing agenda. If Margaret Thatcher went to see it she would be appalled by the language and much of the action but would, I suspect, end up applauding its sentiments." (Telegraph) Gaby Goes Global (2009) New Wimbledon Theatre, London - A wry and mischievous look at the benefits system, and the world of fine art. Gaby is a downtrodden employment advisor at the Benefit Delivery Centre. She tries to get rich by promoting the struggling artists who sign on. But it is Gaby who grabs all the attention - with the sort of exposure she hadn't bargained for... Lockdown Tales (2020) - "a story of struggle, hope, even more struggle and then hope which provides a sensitive and sincere insight into the mind of a key worker during lockdown ... a must watch and is the epitome of the type of work that should be produced during lockdown." (A Younger Theatre)

Blaze Nov 03 2022 For those who need more Harper and Knox . . . there's Blaze! Defeat the enemy. Win the boy. Live happily ever after. But life "ever after" isn't as easy as it used to be. Harper's gone from being a member of a small demon lair to co-Prime of one of the most powerful lairs in the US with a mate who, though hot as hell, is just a mite overprotective - I mean, you get kidnapped by dark practitioners just once . . . Then one of Knox's demons goes rogue, and in his madness decides Knox Thorne must die. Harper's worried. Knox isn't - at least until he discovers his mate's willingness to get between him and danger. Now, Knox has a new priority: Keep Harper safe . . . no matter what it takes. But Harper begins to suspect there's more danger than one rogue demon. It seems the combined strength of Harper and Knox has upset the balance of power in the demon world and there are those who are determined to right that wrong. Because when you move up the food chain, sometimes the other predators just want to take a bigger bite. Praise for Suzanne Wright: "Unique, original and very entertaining." Burn Sep 01 2022 'It's been two minutes since my last fix and I need Suzanne Wright to give me more!' Edgy Reviews The first book in Suzanne Wright's bestselling witty, paranormal romance series, Dark in You. Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue. The billionaire also wants Harper in his bed. She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe. As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has. Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make. *Suzanne's Children* Nov 10 2020 One of the untold stories of the Holocaust--the nail-biting drama of Suzanne Spaak, who risked and gave her life to save hundreds of Jewish children from deportation from Nazi Paris to Auschwitz "vividly dramatizes the stakes of acting morally in a time of brutality" (The Wall Street Journal). Suzanne Spaak was born into the Belgian Catholic elite and married into the country's leading political family. Her brother-in-law was the Foreign Minister and her husband Claude was a playwright and patron of the painter Renee Magritte. In Paris in the late 1930s her friendship with a Polish Jewish refugee led her to her life's purpose. When France fell and the Nazis occupied Paris, she joined the Resistance. She used her fortune and social status to enlist allies among wealthy Parisians and church groups. Then, under the eyes of the Gestapo, Suzanne and women from the Jewish and Christian resistance groups "kidnapped" hundreds of Jewish children to save them from the gas chambers. Suzanne's Children is the "dogged...page-turning account" (Kirkus Reviews) of this incredible story of courage in the face of evil. "Anne Nelson is superb at showing the upheavals in Europe since WWI through vivid, illuminating details...and she also masterfully describes the incremental changes in the Jews' plight under the Occupation" (Booklist). It was during the final year of the Occupation when Suzanne was caught in the Gestapo dragnet that was pursuing a Soviet agent she had aided. She was executed shortly before the liberation of Paris. Suzanne Spaak is honored in Israel as one of the Righteous Among Nations. Nelson's "heartfelt story is almost a model for how popular history should be written; it will satisfy lovers of history, Jewish history in particular" (Library Journal).

*The Favor* Nov 22 2021 Vienna Stratton knew she only had herself to blame. You didn't let yourself become indebted to a man like Dane Davenport, no matter how badly you needed his help. As his personal assistant, she was very aware that the globally successful CEO was ruthless and unforgiving. Of course, if she'd known he'd request that she be his wife for twelve months, she'd have hesitated in accepting his help. Because what she'd learned from Dane was that the devil wasn't ugly and terrifying. He was seductive and captivating. He hummed with whispers of temptation - the temptation to sin and surrender, to let him brand and possess you. He awakened every need and fantasy you had. He could even make you love him.

They're looking forward to some well-earned downtime - until Harper is attacked by mercenaries in the middle of her tattoo shop. Worse still, the attackers are trying to take her wings - the one no one is meant to know she even has. It's a near miss and once a furious Knox has managed to pull his demon back into line there's only one thing clear - someone knows Harper's secrets and is systematically setting out to destroy her. It seems likely that someone is the third Horseman - but how do they know so much about Harper? It seems the impossible might be true - they have an enemy hiding at the very heart of the lair. To survive Harper will need to embrace power that's darker than she's ever experienced and even Knox can't protect her from everything - though God knows nothing's going to stop him trying. The stakes have never been higher, for if Harper's taken by this new threat, Knox won't be able to stop his demon from taking a vicious pleasure in tearing the world apart . . . *Finding the Mother Tree* Jun 17 2021 NEW YORK TIMES BEST SELLER • From the world's leading forest ecologist who forever changed how people view trees and their connections to one another and to other living things in the forest--a moving, deeply personal journey of discovery Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; her TED talks have been viewed by more than 10 million people worldwide. In this, her first book, now available in paperback, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths--that trees are not simply the source of timber or pulp, but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our own. Simard writes--in inspiring, illuminating, and accessible ways--how trees, living side by side for hundreds of years, have evolved, how they learn and adapt their behaviors, recognize neighbors, compete and cooperate with one another with sophistication, characteristics ascribed to human intelligence, traits that are the essence of civil societies--and at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. And Simard writes of her own life, born and raised into a logging world in the rainforests of British Columbia, of her days as a child spent cataloging the trees from the forest and how she came to love and respect them. And as she writes of her scientific quest, she writes of her own journey, making us understand how deeply human scientific inquiry exists beyond data and technology, that it is about understanding who we are and our place in the world.

But with the family business in danger of being sold, can Bria's shakes make a difference . . . and will she ever fit into country life?

**When He's Dark** Sep 08 2020 Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have—a hot-as-sin wolverine shifter who happens to be her boss . . . and the cousin of her predestined mate. Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years—pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that she's determined to believe is dead.

**Families, Families, Families!** Jun 05 2020 No matter your size, shape, or pedigree—if you love each other, you are a family! Moms, dads, sisters, brothers — and even Great Aunt Sue — appear in dozens of combinations, demonstrating all kinds of nontraditional families! Silly animals are cleverly depicted in framed portraits, and offer a warm celebration of family love. From *School Library Journal* Pre-Gr 1—Imagine a house with many rooms, whose walls each have a different color or wallpaper, accenting a family portrait hanging there. On a rustic wooden wall hangs the first portrait—a large family of ducks posing beside a still pond. The next spread shows three pandas in pink vests, much like the pink oriental wallpaper behind them. Each portrait features a gently rhyming line: "Some children live with their grandparents.../and some live with an aunt./Some children have many pets.../and some just have a plant." All of these appealing images demonstrate different ways of being a family. "Some children live with their father./ Some children have two mothers./Some children are adopted./Some have stepsisters and—brothers." The cartoon-style critters contrast pleasantly with more realistic elements—a bamboo plant, a slender ceramic dog, a fat ceramic cat. Families of hippos, tigers, lions, ostriches, and whales join the other family groups in the final spread. The loud-and-clear message is that "if you love each other, then you are a family." And imagine the many children who will be reassured because they have found a portrait of a family they will recognize as their own. A solid choice for most libraries.—Mary Jean Smith, formerly at Southside Elementary School, Lebanon, TN

**I Just Like You** Jun 25 2019 In this picture book perfect for social emotional learning, a group of young animals shows readers that even though others might look, talk, or walk differently, we can like each other just as we are. With a subtle message of tolerance and acceptance, this irresistibly sweet book features animal friends who like each other despite—and because of—their differences. An elephant and a cat might look different from each other, a lemur and a stork might enjoy different activities, and a lion and a mouse might have different hairstyles, but all the animals value and appreciate one another, as shown by exuberant scenes of playing together. The short, simple text will hold the attention of young children and the artwork includes clever and funny details for them to look for as they listen. *I Just Like You* also models the ways young children make friends, with simple conversation starters of sharing opinions and trading compliments.
