A Fool's Errand Apr 29 2020 A popular high school senior is killed, and Jason Owens, a fellow student, is accused of her murder. Jason's journey through the legal system is navigated by lawyer, Stubby Stubbs, a former high-powered litigator and recovering alcoholic, now a solo lawyer with a passion for protecting the rights of children. A long list of suspects leads Stubbs down many paths in his search for the truth. Along the way, the lives of students, parents, teachers, cops, lawyers, politicians, and assorted criminals are forever changed. Gang violence, drug trafficking, police corruption, political intrigue, adolescent mental illness, and education reform are among the societal issues confronted in this thrilling murder

mystery. Stubbs is on a mission to defend Jason and uncover the truth about the murder. But is his errand for justice a fool's errand?

**Invisible Empire** Feb 08 2021

**Fool's Gold** Aug 02 2020 When his benefactor requests to be buried on the claim he shares with Jake Crabtree, years of prospecting pay off when Jake strikes a rich vein of gold while digging the man's grave. But Jake's about to find out that gold brings with it a lot more than wealth--it can bring a passel of trouble.

**Shakespeare Puzzles** Jul 13 2021 Professor Cedric Watts discusses 25 puzzles presented by the works of Shakespeare. For instance: The Sonnets - autobiographical or fictional? What is the plot of the long-lost Love's Labour's Won? What are the 'glass eyes' in King Lear? Prospero's epilogue: it is really Shakespeare's farewell? Repeatedly, these challenging discussions reveal and resolve problematic features of the works, and demonstrate the linkage of minor and major concerns. Cedric Watts, Emeritus Professor of English at Sussex University, was co-author (with John Sutherland) of the acclaimed book, *Henry V: War Criminal? and Other Shakespeare Puzzles*. This new selection of puzzles was first published in *Around the Globe*, the magazine of Shakespeare's Globe Theatre in London.

**The Fool's Girl** Feb 26 2020 Young and beautiful Violetta may be of royal blood, but her kingdom is in shambles when she arrives in London on a mysterious mission. Her journey has been long and her adventures many, but it is not until she meets the playwright William Shakespeare that she gets to tell the entire story from beginning to end. Violetta and her comic companion, Feste, have come in search of an ancient holy relic that the evil Malvolio has stolen from their kingdom. But where will their remarkable quest-and their most unusual story-lead? In classic Celia Rees style, it is an engrossing journey, full of political intrigue, danger, and romance. This wholly original story is spun from Shakespeare's Twelfth Night, and includes both folly and suspense that would make the Bard proud.

**The Book of Proverbs, Chapters 15-31** Feb 20 2022 Over twenty-five years in the making, this much-anticipated commentary promises to be the standard study of Proverbs for years to come. Written by eminent Old Testament scholar Bruce Waltke, this two-volume commentary is unquestionably the most comprehensive work on Proverbs available. Grounded in the new literary criticism that has so strengthened biblical interpretation of late, Waltke's commentary on Proverbs demonstrates the profound, ongoing relevance of this Old Testament book for Christian faith and life. A thorough introduction addresses such issues as text and versions, structure, authorship, and theology. The detailed commentary itself explains and elucidates Proverbs as "theological literature." Waltke's highly readable style -- evident even in his original translation of the Hebrew text -- makes his scholarly work accessible to teachers, pastors, Bible students, and general readers alike.

**Non compos mentis: or, the Law relating to natural fools, mad folks and lunatick persons, inquisitioned and explained, etc** Apr 22 2022

**A Fool's Errand** May 31 2020 There had been rumors in the air, for some months, of a strangely mysterious organization, said to be spreading over the Southern States, which added to the usual intangibility of the secret society an element of the grotesque superstition unmatched in the history of any other.... Here and there throughout the South, by a sort of sporadic instinct, bands of ghostly horsemen, in quaint and horrible guise, appeared, and admonished the lazy and trifling of the African race... -from "Chapter XXVII: A New Institution" Subtitled "A Novel of the South During Reconstruction," this 1879 bestseller, by a participant in that great social experiment, is the barely fictionalized account of the career of a Northern lawyer in North Carolina after the Civil War. A champion of the poor and landless of any race, and a keen observer of the dilemmas facing uneducated Negroes in the postwar period, Tourgée offers us an important eyewitness account of one of the most tumultuous eras of American history, one that continues to influence the course of the American experiences of race and class to this day.

**The Abandonment Recovery Workbook** Aug 14 2021 A powerful workshop-in-a-book for healing from loss One day everything is fine. The next, you find yourself without everything you took for granted. Love has turned sour. The people you depended on have let you down. You feel you'll never love again. But there is a way out. In *The Abandonment Recovery Workbook*, the only book of its kind, psychotherapist and abandonment expert Susan Anderson explores the seemingly endless pain of heartbreak and shows readers how to break free—whether the heartbreak comes from a divorce, a breakup, a death, or the loss of friendship, health, a job, or a dream. From the first shock of despair through the waves of hopelessness to the tentative efforts to make new connections, *The Abandonment Recovery Workbook* provides an itinerary for recovery. A manual for individuals or support groups, it includes exercises that the author has tested and developed through her decades of expertise in abandonment recovery. Anderson provides concrete recovery tools and exercises to discover and heal underlying issues, identify self-defeating behaviors of mistrust and insecurity, and build self-esteem. Guiding you through the five stages of your journey—shattering, withdrawal, internalizing, rage, and lifting—this book (a new edition of Anderson's *Journey from Heartbreak to Connection*) serves as a source of strength. You will come away with a new sense of self—a self with an increased capacity to love. Praise for Susan Anderson's *The Journey from Abandonment to Healing*: "If there can be a pill to cure the heartbreak of rejection, this book may be it." — Rabbi Harold Kushner, bestselling author of *When Bad Things Happen to Good People*

Fool's Errands Nov 05 2020 In the decade following the end of the Cold War the United States undertook several nation-building missions around the globe, most of which have failed. We said we'd bring order to Somalia, but we left chaos. We went to Haiti to restore democracy, but left tyranny. We intervened in Kosovo to create a multiethnic democracy, but we may become embroiled in renewed strife and bloodshed. This extremely timely book cuts through the excuses and uncovers the causes of Washington's pattern of failure.

**Dream Tales and Prose Poems** Jun 24 2022 In the spring of 1878 there was living in Moscow, in a small wooden house in Shabolovka, a young man of five-and-twenty, called Yakov Aratov. With him lived his father's sister, an elderly maiden lady, over fifty, Platonida Ivanovna. She took charge of his house, and looked after his household expenditure, a task for which Aratov was utterly unfit. Other relations he had none. A few years previously, his father, a provincial gentleman of small property, had moved to Moscow together with him and Platonida Ivanovna, whom he always, however, called Platoshka; her nephew, too, used the same name. On leaving the country-place where they had always lived up till then, the elder Aratov settled in the old capital, with the object of putting his son to the university, for which he had himself prepared him; he bought for a trifle a little house in one of the outlying streets, and established himself in it, with all his books and scientific odds and ends. And of books and odds and ends he had many for he was a man of some considerable learning 'an out-and-out eccentric,' as his neighbours said of him. He positively passed among them for a sorcerer; he had even been given the title of an 'insectivist.' He studied chemistry, mineralogy, entomology, botany, and medicine; he doctored patients gratis with herbs and metallic powders of his own invention, after the method of Paracelsus. These same powders were the means of his bringing to the grave his pretty, young, too delicate wife, whom he passionately loved, and by whom he had an only son. With the same powders he fairly ruined his son's health too, in the hope and intention of strengthening it, as he detected anmia and a tendency to consumption in his constitution inherited from his mother. The name of 'sorcerer' had been given him partly because he regarded himself as a descendant not in the direct line, of course of the great Bruce, in honour of whom he had called his son Yakov, the Russian form of James.

The Fool: Being a Collection of Essays and Epistles Nov 24 2019

*Fool's Gold* Oct 04 2020 A killer mines the wilds of Canada for victims. On the case: police chief Reid Bennett, "one of the most interesting series whodunit heroes of the decade" (Chicago Sun-Times). When gold is found in the mountains of Canada, it brings a rush of prospectors, pilots, and men looking to get rich quick. It also brings a slew of dead bodies. That is when Reid Bennett, the lone cop of tiny Murphy's Harbour, gets called in to help. The dead body of geologist Jim Prudhomme is found mauled beyond recognition by a bear. Or is it? Bear attacks are more than rare in these parts, and the tracks do not add up. Is it murder instead? Things get complicated as witnesses cry foul and more bodies pile up, including the reappearance of someone already dead. Thankfully, Reid has the help of the local police chief out for one last big case. He is also joined by a beautiful motel keeper and by his faithful dog Sam. But with gold on the line, the danger might come too fast and furious for our four heroes.

**Four Fools in the Age of Reason** Jul 25 2022 Unveiling the nearly lost world of the court fools of eighteenth-century Germany, Dorinda Outram shows that laughter was an essential instrument of power. Whether jovial or cruel, mirth altered social and political relations. Outram takes us first to the court of Frederick William I of Prussia, who emerges not only as an administrative reformer and notorious militarist but also as a "master of fools," a ruler who used fools to prop up his uncertain power. The autobiography of the itinerant fool Peter Prosch affords a rare insider's view of the small courts in Catholic south Germany, Austria, and Bavaria. Full of sharp observations of prelates and princes, the autobiography also records episodes of the extraordinary cruelty for which the German princely courts were notorious. Joseph Fröhlich, court fool in Dresden, presents more appealing facets of foolery. A sharp salesman and hero of the Meissen factories, he was deeply attached to the folk life of fooling. The book ends by tying the growth of Enlightenment skepticism to the demise of court foolery around 1800. Outram's book is invaluable for giving us such a vivid depiction of the court fool and especially for revealing how this figure can shed new light on the wielding of power in Enlightenment Europe.

Inside the Crips Dec 26 2019 Inside the Crips is the memoir of the author Colton Simpson's life as a Crip--beginning at the tender age of ten in the mid-seventies--and his prison turnaround nearly twenty-five years later. Colton ("C-Loc") Simpson calls himself the only gang member ever allowed to quite the Crips--and one of the few to survive into his thirties. Simpson--son of a ballplayer for the California Angels and a mother who was relentlessly rough with her sons after their fathers left her--became a gang member at ten. Inside The Crips tells the remarkable--and at the same time, all too common--story of gang life in the 1980s in immediate and descriptive prose that makes this book a gripping true-life read. Inside The Crips covers the rush that comes from participating in gang violence and the years-long wars between the Bloods and Crips. Simpson's story also puts the reader in the middle of the struggle between the Crips and corrections officers in Calipatria prison. It covers gang life from the mid-seventies to the mid-nineties, and introduces characters it's impossible not to care about: Simpson's fellow gangbanger Smile; and Gina, the long-suffering friend and mother of two sons who married Simpson in prison.

**Chain of Fools** Jun 19 2019 Chain of Fools traces the art of slapstick comedy from its pre-cinema origins in the ancient pantomime through its silent movie heyday in the teens and twenties, then on to talkies, television, and the internet. Author Trav S.D. mixes a wicked wit, a scholar's curiosity, and a keen critical appreciation for laugh-makers through the ages, from classical clowns like Joseph Grimaldi to comedy kings like Mack Sennett, Charlie Chaplin, Harold Lloyd and Buster Keaton...to more recent figures, from Red Skelton, Sid Caesar and Ernie Kovacs to Adam Sandler, Jim Carrey and Steve Carell...all the way down to the teenagers on YouTube whose backyard antics bring us full circle to slapstick's beginnings. This valentine to the great clowns contains enough insights and surprises to open the eyes of even life-long comedy fans.

*King's Fool* Oct 28 2022 A Remarkably Intimate Tale of the Intrigue, Ruthlessness, and Majesty of Henry VIII's Court When country lad Will Somers lands himself the plum position of jester to the mercurial King Henry VIII, he has no idea that he's just been handed a front-row seat to history. With a seat near the throne and an ear to the floor, Somers witnesses firsthand the dizzying power struggles and sly scheming that marked the reign of the fiery Tudor king. Somers watches the rise and fall of some of the most enigmatic women in history, including the tragic Katherine of Aragon, the doomed Anne Boleyn, and Mary Tudor, who confided in the jester as she made the best of the fragile life of a princess whom everyone wished was a prince. Based on the life of the real Will Somers, *King's Fool* is infused with Margaret Campbell Barnes' trademark rich detail and historical accuracy. This intimate peek into the royal chambers gives readers a unique view on one of the most tumultuous periods in English history. First published in 1959 by world-renowned historical novelist Margaret Campbell Barnes, *King's Fool* is a remarkable insider tale of the intrigue, ruthlessness, and majesty of the Tudor court. When country lad Will Somers lands himself the plum position of jester to the mercurial King Henry VIII, he has no idea that he's just been handed a front-row seat to history. Includes a bonus reading group guide written by the author's great granddaughter. "A moving and lifelike portrait... a thoroughly delightful novel." *New York Times* "Immensely entertaining and absorbing." *Chicago Tribune* "A dramatic story, full of color and good characters, great people made more human." *Book of the Month Club* "Memorable scenes... a real achievement." *Saturday Review* "All should be warned that, despite the title, they will not encounter the traditional fool." *Chicago Tribune* "Margaret Campbell Barnes has added brilliant hues to a picture which never lacked in color." *Vancouver (BC) Daily Province* "...Watch the king's cruel vanities through the eyes of a friend whose love and sympathy never waver." *News Chronicle*

*Shakespeare's Great Stage of Fools* Jun 12 2021 This lively, lucid book undertakes a detailed and provocative study of Shakespeare's fascination with clowns, fools, and fooling. Through close reading of plays over the whole course of Shakespeare's theatrical career, Bell highlights the fun, wit, insights, and mysteries of some of Shakespeare's most vibrant and often vexing figures.

*The Holy Fool in European Cinema* May 11 2021 This monograph explores the way that the profile and the critical functions of the holy fool have developed in European cinema, allowing this traditional figure to capture the imagination of new generations in an age of religious pluralism and secularization. Alina Birzache traces the cultural origins of the figure of the holy fool across a variety of European traditions. In so doing, she examines the critical functions of the holy fool as well as how filmmakers have used the figure to respond to and critique aspects of the modern world. Using a comparative approach, this study for the first time offers a comprehensive explanation of the enduring appeal of this protean and fascinating cinematic character. Birzache examines the trope of holy foolishness in Soviet and post-Soviet cinema, French cinema, and Danish cinema, corresponding broadly to and permitting analysis of the three main orientations in European Christianity: Orthodox, Catholic, and Protestant. This study will be of keen interest to scholars of religion and film, European cinema, and comparative religion.

*The Ripple Effect* Sep 27 2022 No one sits down and plans on failing in life. It happens, though—usually one decision at a time. Neither do we drift toward success. We move toward success and growth by intentionally making good decisions. The Ripple Effect can help you identify the seven most important decisions of each day. Like a pebble hitting the water creates a ripple effect, each one of these daily decisions creates momentum in your life. By improving the way you make decisions in these seven key areas, you will improve your life. You can't change your life for the better until you change the decisions you make each day.

**The Russian Tragedy** Mar 09 2021 Edith Base's letters to her pen pal Phylabe Houston in Greeley, Colorado, are an unwittingly (and perhaps for that reason) fascinating historical document of the day to day life of a Londoner from 1941 to 1947. With great humor and astute observation she explains to her pal how people coped during the war years, describes her patrols as an air raid warden, the darkly humorous social organization of the shelters, and the more mundane life details that simply underscore the eerie "normality" that arises in extraordinary situations. Lacks an index. Annotation copyright by Book News, Inc., Portland, OR

*Fools Are Everywhere* Dec 06 2020 In this lively work, Beatrice K. Otto takes us on a journey around the world in search of one of the most colorful characters in history—the court jester. Though not always clad in cap and bells, these witty, quirky characters crop up everywhere, from the courts of ancient China and the Mogul emperors of India to those of medieval Europe, Africa, the Middle East, and the Americas. With a wealth of anecdotes, jokes, quotations, epigraphs, and illustrations (including flip art), Otto brings to light little-known jesters, highlighting their humanizing influence on people with power and position and placing otherwise remote historical figures in a more idiosyncratic, intimate light. Most

of the work on the court jester has concentrated on Europe; Otto draws on previously untranslated classical Chinese writings and other sources to correct this bias and also looks at jesters in literature, mythology, and drama. Written with wit and humor, *Fools Are Everywhere* is the most comprehensive look at these roguish characters who risked their necks not only to mock and entertain but also to fulfill a deep and widespread human and social need.

*Fool's Gold* Apr 10 2021 This work skeptically explores the notion that the internet will soon obviate any need for traditional print-based academic libraries. It makes a case for the library's staying power in the face of technological advancements (television, microfilm, and CD-ROM's were all once predicted as the contemporary library's heir-apparent), and devotes individual chapters to the pitfalls and prevarications of popular search engines, e-books, and the mass digitization of traditional print material.
