*An Answer Key to A Primer of Ecclesiastical Latin* May 30 2022 This long-awaited volume provides an answer key to the drills and exercises contained in each of the units of John F. Collins's bestselling *A Primer of Ecclesiastical Latin*. Written for those charged with the responsibility of teaching the Latin of the church, the primer aims to give the student--within one year of study--the ability to read ecclesiastical Latin. Thirty-five instructional units provide the grammar and vocabulary, and supplemental readings offer a survey of church Latin from the fourth century to the Middle Ages. Included is the Latin of Jerome's Bible, of canon law, of the liturgy and papal bulls, of scholastic philosophers, and of the Ambrosian hymns. ABOUT THE AUTHOR: John R. Dunlap is a senior lecturer in classics at Santa Clara University, where he has taught Latin, Greek, and classical literature for more than 30 years.

*Literature and Language Teaching* Jun 06 2020 Literature and Language Teaching is for teachers and trainers who want to incorporate literature into the language classroom. The book can be used as a resource by

trainers working with groups of teachers, by teacher development groups or by teachers working on their own. Literature and Language Teaching contains tasks and activities which:" encourage reflection on some of the issues and debates involved in using literature in the language classroom " explore different approaches to using literature with teenage and adult learners at all levels " suggest criteria for selecting and evaluating materials for classroom use" identify some of the distinctive features of novels, short stories, poems and plays so that these can be successfully exploited in the classroom " provide a wide range of practical ideas and activities for developing materials which teachers can use with their own learners " encourage the observation and assessment of lessons using literacy texts " draw on literary texts in English by a variety of authors from all over the world Each section of the book is designed to be self-contained so that users of the book can select what is most relevant to their purpose. A key to the tasks and activities is provided, as well as guidelines for teacher trainers which suggest different ways of using the activities in the book as part of a training programme.
