Experience the new Janson and re-experience the history of art. The Portable Edition of Janson's History of Art, Eighth Edition features four lightweight, paperback books packaged together along with optional access to a powerful student website, [www.myartslab.com](#), making the text more student friendly than ever. Janson's History of Art is still available in the original hardcover edition and in Volume I and Volume II splits. The Portable Edition is comprised of four books, each representing a major period of art history: Long established as the classic and seminal introduction to art of the Western world, the Eighth Edition of Janson's History of Art is groundbreaking. When Harry Abrams first published the History of Art in 1962, John F. Kennedy occupied the White House, and Andy Warhol was an emerging artist. Janson offered his readers a strong focus on Western art, an important consideration of technique and style, and a clear point of view. The History of Art, said Janson, was not just a stringing together of historically significant objects, but the writing of a story about their interconnections, a history of styles and of stylistic change. Janson's text focused on the visual and technical characteristics of the objects he discussed, often in extraordinarily eloquent language. Janson's History of Art helped to establish the canon of art history for many generations of scholars. The new Eighth Edition, although revised to remain current with new discoveries and scholarship, continues to follow Janson's lead in important ways: It is limited to the Western tradition, with a chapter on Islamic art and its relationship to Western art. It keeps the focus of the discussion on the object, its manufacture, and its visual character. It considers the contribution of the artist as an important part of the analysis. This edition maintains an organization along the lines established by Janson, with separate chapters on the Northern European Renaissance, the Italian Renaissance, the High Renaissance, and Baroque art, with stylistic divisions for key periods of the modern era. Also embedded in this edition is the narrative of how art has changed over time in the cultures that Europe has claimed as its patrimony.

[History of Art](#) Sep 09 2020 This title examines Western art's original European roots, the ways and styles in which it has expanded and changed, and how it has grown into such an integral part of Western culture. **The Motherhood of Art** Sep 21 2021 Balance motherhood and creative pursuits! Women and new mothers are constantly encountering the message that they can never do anything for themselves once they have children. This conversational book is like brunch with girlfriends, offering you friendly advice, community encouragement, and tips on carving time out for creative endeavors. Meet women who not only defied the "no more time to be an artist" stereotype but found motherhood gave them focus, confidence, and efficiency in their art and creative endeavors. Becoming mothers renewed a sense of purpose in their creative pursuits, and by prioritizing this need to create, they became more patient and better mothers to their children. Interview questions cover a range of topics, including early days and creative work, community and vulnerability, and tactics for regular creative practice. Whether you read it front to back or pick it up for a 5-minute dose of encouragement, this is the encouragement you can lean on for balancing family life and art in your own way.

The Art of Gathering Dec 01 2019 "Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Grandpa Smiles Aug 21 2021 Original oil paintings tell the story of how Grandpa watches over a little boy over the course of his life, even though Grandpa can be with him only in spirit. This art story book is a peaceful and healing read for adults and children alike. Gentle emotions, passionate colors, and simple words communicate an inspirational message that love lives on, and family is forever.

The Art of Being Human Mar 04 2020 Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

Documentary Making for Digital Humanists Mar 28 2022 This fluent and comprehensive field guide responds to increased interest, across the humanities, in the ways in which digital technologies can disrupt and open up new research and pedagogical avenues. It is designed to help scholars and students engage with their subjects using an audio-visual grammar, and to allow readers to efficiently gain the technical and theoretical skills necessary to create and disseminate their own trans-media projects. *Documentary Making for Digital Humanists* sets out the fundamentals of filmmaking, explores academic discourse on digital documentaries and online distribution, and considers the place of this discourse in the evolving academic landscape. The book walks its readers through the intellectual and practical processes of creating digital media and documentary projects. It is further equipped with video elements, supplementing specific chapters and providing brief and accessible introductions to the key components of the filmmaking process. This will be a valuable resource to humanist scholars and students seeking to embrace new media production and the digital landscape, and to those researchers interested in using means beyond the written word to disseminate their work. It constitutes a welcome contribution to the burgeoning field of digital humanities, as the first practical guide of its kind designed to facilitate humanist interactions with digital filmmaking, and to empower scholars and students alike to create and distribute new media audio-visual artefacts.

**The Story of Art Without Men** Jul 28 2019 The story of art for our times—one with women at the center, brought together for the first time by the creator of @thegreatwomenartists. From Leonardo da Vinci to Jean-Michel Basquiat, the great painters and sculptures who have defined the fine art canon have largely been men. Katy Hessel seeks to right that wrong by cataloging, celebrating, and elevating women artists and placing their groundbreaking work in its historical, political, and cultural context. From the Renaissance to the present day, Hessel breaks down each time period and movement using a global lens, expanding the canon to include the work of non-Western artists, queer and racially marginalized artists, photographers, textile artists, and more. Discover the glittering Sofonisba Anguissola of the Renaissance and the radical work of Harriet Powers in the nineteenth century. Explore the Dutch Golden Age, the astonishing work of postwar artists in Latin America, and the women defining art in the 2020s. Featuring more than 100 works of art in color, *The Story of Art Without Men* is a timeless and essential addition to any library.

The Story of Art Oct 23 2021 "The Story of Art is one of the most famous and popular books on art ever published. For 45 years it has remained unrivalled as an introduction to the whole subject, from the earliest cave paintings to the experimental art of today. Readers of all ages and backgrounds throughout the world have found in Professor Gombrich a true master, who combines knowledge and wisdom with a unique gift for communicating directly his own deep love of the works of art he describes." "The Story of Art owes its lasting popularity to the directness and simplicity of the writing, and also the author's skill in presenting a clear narrative. He describes his aim as 'to bring some intelligible order into the wealth of names, periods and styles which crowd the pages of more ambitious works', and using his insight into the psychology of the visual arts, he makes us see the history of art as 'a continuous weaving and changing of traditions in which each work refers to the past and points to the future, a living chain that still links our own time with the Pyramid age'. In its new format, the 16th edition of this classic work is set to continue its triumphant progress for future generations and to remain the first choice for all newcomers to art."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **Ancient Greek I** Jun 30 2022 In this elementary textbook, Philip S. Peek draws on his twenty-five years of teaching experience to present the ancient Greek language in an imaginative and accessible way that promotes creativity, deep learning, and diversity. The course is built on three pillars: memory, analysis, and logic. Readers memorize the top 250 most frequently occurring ancient Greek words, the essential word endings, the eight parts of speech, and the grammatical concepts they will most frequently encounter when reading authentic ancient texts. Analysis and logic exercises enable the translation and parsing of genuine ancient Greek sentences, with compelling reading selections in English and in Greek offering starting points for contemplation, debate, and reflection. A series of embedded Learning Tips help teachers and students to think in practical and imaginative ways about how they learn. This combination of memory-based learning and concept- and skill-based learning gradually builds the confidence of the reader, teaching them how to learn by guiding them from a familiarity with the basics to proficiency in reading this beautiful language. Ancient Greek I: A 21st-Century Approach is written for high-school and university students, but is an instructive and rewarding text for anyone who wishes to learn ancient Greek.

**ArtCurious** Jul 08 2020 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before, from the host of the beloved ArtCurious podcast We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, ArtCurious presents an engaging look at why art history is, and continues to be, a riveting and relevant world to explore.

**A Little History of Art** May 18 2021 A thrilling journey through 100,000 years of art, from the first artworks ever made to art's central role in culture today. "A fresh take on art history as we know it." (Katy Hessel, The Great Women Artists Podcast) Charlotte Mullins brings art to life through the stories of those who created it and, importantly, reframes who is included in the narrative to create a more diverse and exciting landscape of art. She shows how art can help us see the world differently and understand our place in it, how it helps us express ourselves, fuels our creativity and contributes to our overall wellbeing and positive mental health. Why did our ancestors make art? What did art mean to them and what does their art mean for us today? Why is art even important at all? Mullins introduces readers to the Terracotta Army and Nok

sculptures, Renaissance artists such as Giotto and Michelangelo, trailblazers including Käthe Kollwitz, Pablo Picasso, Frida Kahlo, and contemporary artists who create art as resistance, such as Ai Weiwei and Shirin Neshat. She also restores forgotten artists such as Sofonisba Anguissola, Guan Daosheng and Jacob Lawrence, and travels to the Niger valley, Peru, Java, Rapa Nui and Australia, to broaden our understanding of what art is and should be. This extraordinary journey through 100,000 years celebrates art's crucial place in understanding our collective culture and history.

**Art and Climate Change (World of Art)** Aug 09 2020 An overview of ecologically conscious contemporary art that responds to today's environmental crisis, from species extinction to climate change. Art and Climate Change collects a wide range of artistic responses to our current ecological emergency. When the future of life on Earth is threatened, creative production for its own sake is not enough. Through contemporary artworks, artists are calling for an active, collective engagement with the planet in order to illuminate some of the structures that threaten biological survival. Exploring the meeting point of decolonial reparation and ecological restoration, artists are remaking history by drawing on the latest ecological theories, scientific achievements, and indigenous worldviews to engage with the climate crisis. Across five chapters, authors Maja and Reuben Fowkes examine these artworks that respond to the Anthropocene and its detrimental impact on the planet's climate, from scenes of nature decimated by ongoing extinction events and landscapes turned to waste by extraction, to art coming out of the communities most affected by the environmental injustice of climate change. Featuring a broad range of media, including painting, photography, conceptual, installation, and performance, this text also dives into eco-conscious art practices that have created a new kind of artistic community by stressing a common mission for creators all over the world. In this art history, the authors emphasize the importance of caring for and listening to marginalized and indigenous communities while addressing climate uncertainty, deforestation, toxicity, and species extinction. By proposing scenarios for sustainable futures, today's artists are reshaping our planet's history, as documented in this heavily illustrated book.

**The Work of Art** Aug 01 2022 The Work of Art is an essential twenty-first century roadmap for turning your creative work into a thriving business. Featuring brass-tacks useful information for creative entrepreneurs of every skill set, this book covers topics from personal branding, budgeting, and mental health, to guidance on clearing the hurdles that come forth as you rise to steady success. Heidi Luerra is the Founder & CEO of RAW: natural born artists, the world's largest independent arts organization. For almost 20 years, Heidi has worked with artists of all creative genres. Starting her own clothing line at a young age, she earned her business stripes the hard way. Over the past decade, Heidi has grown RAW to a worldwide operation in over 80 cities with over 200k artists in the RAW community (so she's got some stuff to say). Heidi offers no-nonsense advice (because who needs the fluff?), warnings against common creative pitfalls (because we don't have to fall for them), and real step-by-step action guides (because creative success takes planning). Heidi uses her own personal stories and sloppy mistakes (perhaps even oversharing) to demonstrate key lessons for creatives, including patience, persistence and best practices. She also profiles 15 working creative entrepreneurs from an array of artistic fields who have arrived at their own rewarding success. You'll travel along the path of what it really looks like to charge in the direction of your dreams. The Work of Art is cheeky, fun, and as honest as it gets.

The History of Art: A Global View: Prehistory to 1500 Oct 03 2022 A more global, flexible way to teach art history

*My Life as a Work of Art* Dec 13 2020 Why is this art? The world of contemporary art can seem intimidating, absurd, and self-obsessed, while the sums of money exchanged are baffling. Writing on contemporary art is often tortured and confused, ignoring the important questions: What is contemporary art? How does it relate to money and power? How is it made? Will it survive? To answer these questions, Katya Tylevich and Ben Eastham offer a series of short biographies on eight great works of twenty-first century art by Martin Creed, Barry McGee, Camille Henrot, Marina Abramovic, Philippe Parreno and Pierre Huyghe, Erwin Wurm, Michaël Borremans, and Gregory Crewdson. They follow these paintings, films, installations, experiences, experiments, sculptures, and performances through all the key stages of their existence so far - from the delicate quiet of the studio to the grand chaos of the art world. A funny, engaging, personal guide through the world of art today, *My Life as a Work of Art* takes as its starting point the only really important thing: the work of art itself.

**Equal of the Sun** Apr 16 2021 Based loosely on the life of Princess Pari Khan Khanoom, *Equal of the Sun* is a riveting story of political intrigue and a moving portrait of the unlikely bond between a princess and a eunuch. Iran in 1576 is a place of wealth and dazzling beauty. But when the Shah dies without having named an heir, the court is thrown into tumult. Princess Pari, the Shah's daughter and protégée, knows more about the inner workings of the state than almost anyone, but her maneuvers to instill order after her father's sudden death incite resentment and dissent. Pari and her closest adviser, Javaher, a eunuch able to navigate the harem as well as the world beyond the palace walls, possess an incredible tapestry of secrets that explode in a power struggle of epic proportions. Legendary women—from Anne Boleyn to Queen Elizabeth I to Mary, Queen of Scots—changed the course of history in the royal courts of sixteenth-century England. They are celebrated in history books and novels, but few people know of the powerful women in the Muslim world, who formed alliances, served as key advisers to rulers, lobbied for power on behalf of their sons, and ruled in their own right. In *Equal of the Sun*, Anita Amirrezvani's gorgeously crafted tale of power, loyalty, and love in the royal court of Iran, she brings one such woman to life, Princess Pari Khan Khanoom Safavi. Amirrezvani is a master storyteller, and in her lustrous prose this rich and labyrinthine world comes to vivid life with a stunning cast of characters, passionate and brave men and women who defy or embrace their destiny in a Machiavellian game played by those who lust for power and will do anything to attain it.
