**The American Golfer's Guide to Ireland** Apr 26 2022 Maybe the game of golf wasnt invented in Ireland but to most visitors it seems that way. After all, there are more golf courses per square mile in Ireland than in any part of the world. A golfing visit to Ireland will be the trip of a lifetime for many reasons. First, links courses sparkle like an emerald necklace around the coastline of Ireland. It is subjective to pick the best from so many great courses but here are a few: Royal Portrush, Portstewart. Royal County Down, Baltray, Portmarnock, The European Club, Old Head, Waterville, Ballybunion, Tralee, Lahinch, Doonbeg, Connemara, Carne, Enniscrone, Murvagh, Ballyliffin and Rosapenna. Second, the past two decades have brought world class resorts with the finest facilities and championship level courses, including The K Club, Lough Erne, Druids Glen, Mount Wolsely, Killeen Castle, Glasson, Galgorm Castle, Slieve Russell, The Heritage, Powerscourt, Adare, Fota Island, Dromoland Castle and many more. Third, visitors can enjoy over 400 private golf clubs scattered throughout Ireland where greens fees offer excellent value and local members make you feel at home. Not least, the 19th hole is a great opportunity to meet local golfers. An old saying puts it like this: There are no strangers in Ireland, only friends you havent met before. The successes of Irish golfers on the international circuit has also put the spotlight on the great golf found throughout the Island. Pdraig Harrington, Graeme McDowell, Rory McIlroy, Darren Clarke, Paul McGinley, Shane Lowrey and others have been not just successful competitors but wonderful ambassadors for Irish fun and hospitality. I hope you and your friends will come to experience golf in Ireland for yourselves. I can assure you a warm welcome and some wonderful memories. Joe Byrne Executive Vice-President Tourism Ireland

Volkswagen T3 Dec 31 2019 It has taken some time for Volkswagen's third-generation Transporter to gain the iconic status freely awarded to the first-generation 'Splittie' and its successor, the 'Bay'. Now, however, the T3, also variously called the T25, 'Wedge' or [less flatteringly] the 'Brick', is well and truly established as part of the classic VW scene. In part, this has been down to the soaring prices and limited availability of the earlier models, but perhaps too the T3 has finally been recognized as a worthy successor to those venerable classics, and maybe even cherished as the last of the air-cooled Volkswagens. Topics covered: Background story, 1949-1979. Design concept to production, 1973-1979. Full analysis of the T3's specifications. Air-cooled, diesel and water-cooled engines. Four-wheel-drive and luxury passenger-carrying models. Camping conversions.

**The American Golfer's Guide to Scotland** Jul 30 2022 “Scotland is known as the Home of Golf and is renowned for its fascinating history, rich culture and heritage and but above all, our golf courses are situated amid some of the most spectacular scenery in the world. Throughout Scotland there is a huge choice of golf courses to suit every skill level, offering quality, value for money, and above all, a fantastic and unique golfing experience. You are never too far from a golf course with more than 400 courses less than an hour from a city or an airport. Furthermore, the average green fee is £45 which is only around \$70. Every golfer in the world should experience golf in Scotland at least once in their lifetime. Up and down the country Scotland offers unique coastal courses and magnificent links golf, complemented by breathtaking parkland, heathland and moorland golf courses, many of which have been designed by renowned golf architects and played by the golfing elite; another reason for cementing Scotland’s golfing reputation. Scotland of course boasts the famous greens of Turnberry and The Old Course. But we are not ones to rest on our laurels and new courses are being added to Scotland’s amazing collection all the time. Machrihanish Dunes Golf Club, set hard against the shores of the Atlantic Ocean, is the first

18-hole links golf course to be built on the west coast of Scotland in 100 years, while Castle Stuart in the Highlands is a championship links course overlooking the Moray Firth and well-known landmarks that are synonymous with Highlands. With more than 550 courses populating the stunning scenery the length and breadth of the country, you will never be stuck for quality or choice. With all this and more, there is always a reason for visiting Scotland.” Phillip Riddle, Chief Executive VisitScotland
