And Morpheus delves into Jeb's memories of the events of *Splintered in The Moth in the Mirror*. Read all the books in the New York Times bestselling *Splintered* series: *Splintered* (Book 1), *Unhinged* (Book 2), *Ensnared* (Book 3), and *Untamed* (The Companion Novel). Praise for *Splintered*: STARRED REVIEW "Fans of dark fantasy, as well as of Carroll's Alice in all her revisionings (especially Tim Burton's), will find a lot to love in this compelling and imaginative novel." --Bulletin of the Center for Children's Books "Alyssa is one of the most unique protagonists I've come across in a while. *Splintered* is dark, twisted, entirely riveting, and a truly romantic tale." --USA Today "Brilliant, because it is ambitious, inventive, and often surprising -- a contemporary reworking of Lewis Carroll's 'Alice's Adventures in Wonderland,' with a deep bow toward Tim Burton's 2010 film version." --The Boston Globe "It's a deft, complex metamorphosis of this children's fantasy made more enticing by competing romantic interests, a psychedelic setting, and more mad violence than its original." --Booklist " Protagonist Alyssa...is an original. Howard's visual imagination is superior. The story's creepiness is intriguing as horror, and its hypnotic tone and setting, at the intersection of madness and creativity, should sweep readers down the rabbit hole." --Publishers Weekly "While readers will delight in such recognizable scenes as Alyssa drinking from a bottle to shrink, the richly detailed scenes that stray from the original will entice the imagination. These adventures are indeed wonderful." --BookPage "Attention to costume and setting render this a visually rich read..." --Kirkus Reviews "Wonderland is filled with much that is not as wonderful as might be expected, and yet, it is in Wonderland that Alyssa accepts her true nature. The cover with its swirling tendrils and insects surrounding Alyssa will surely attract teen readers who will not be disappointed with this magical, edgy tale." --Reading Today Online "Creepy, descriptive read with a generous dollop of romance." --School Library Journal

*The Song and the Silence* Aug 06 2020 In this "beautiful, evocative" (Booklist, starred review) memoir, Yvette Johnson travels to the Mississippi Delta to uncover the moving, true story of her late grandfather Booker

Wright, whose extraordinary act of courage would change his and, later, her life forever. "Have to keep that smile," Booker Wright said in the 1966 NBC documentary *Mississippi: A Self-Portrait*. At the time, Wright was a waiter in a "whites only" restaurant and a local business owner who would become an unwitting icon of the Civil Rights Movement. For he did the unthinkable: speaking in front of a national audience, he described what daily life was truly like for black people of Greenwood, Mississippi. Four decades later, Yvette Johnson, Wright's granddaughter, found footage of the controversial documentary. No one in her family knew of his television appearance. Even more curious for Johnson was that for most of her life she'd barely heard mention of her grandfather's name. Born a year after Wright's death and raised in a wealthy San Diego neighborhood, Johnson admits she never had to confront race in the way Southern blacks did in the 1960s. Compelled to learn more about her roots, she travels back to Greenwood, Mississippi, a beautiful Delta town steeped in secrets and a scarred past, to interview family members about the real Booker Wright. As she uncovers her grandfather's compelling and ultimately tragic story, she also confronts her own conflicted feelings surrounding race, family, and forgiveness. "With profound insight and unwavering compassion, Johnson weaves an unforgettable story" (Publishers Weekly, starred review) about her journey in pursuit of her family's past—and ultimately finding a hopeful vision of the future for us all.

*Satan's Harvest* Mar 13 2021 The shocking true case of demonic possession from the reporters who first covered it in the Boston Herald. The case was discussed and you can watch the real exorcism footage in the blockbuster horror film *The Conjuring*. When terrifying, bizarre things kept happening to a hard-working Massachusetts farmer, he did what anyone would do. First he went to the local police chief. Then he went to his priest. And then he went to Ed and Lorraine Warren, the world's most famous demonologists who investigated the "The Amityville Horror" and other terrifying cases of demonic possession. It was the Warrens who called in one of America's most renowned exorcists, Bishop Robert McKenna. What they all experienced is described in this extraordinary book. Absolutely terrifying. Absolutely true. Don't miss the Warrens' new film "Annabelle" (October, 2014).

*The Amityville Horror* Nov 08 2020 "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

Frank Sinatra Has a Cold Aug 18 2021 Gay Talese is the father of American New Journalism, who transformed traditional reportage with his vivid scene-setting, sharp observation and rich storytelling. His 1966 piece for Esquire, one of the most celebrated magazine articles ever published, describes a morose Frank Sinatra silently nursing a glass of bourbon, struck down with a cold and unable to sing, like 'Picasso without paint, Ferrari without fuel - only worse'. The other writings in this selection include a description of a meeting between two legends, Fidel Castro and Muhammad Ali; a brilliantly witty dissection of the offices of Vogue magazine; an account of travelling to Ireland with hellraiser Peter O'Toole; and a profile of fading baseball star Joe DiMaggio, which turns into a moving, immaculately-crafted meditation on celebrity.

Sidney J. Furie Jan 23 2022 Known for his visual style as well as for his experimentation in virtually every genre of narrative cinema, award-winning director Sidney J. Furie also has the distinction of having made Canada's first ever feature-length fictional film in English, *A Dangerous Age* (1957). With a body of work that includes *The Ipcress File* (1965), *Lady Sings the Blues* (1972), and *The Entity* (1982), he has collaborated with major stars such as Marlon Brando, Frank Sinatra, Robert Redford, and Michael Caine, and his films have inspired some of Hollywood's most celebrated directors, including Stanley Kubrick and Quentin Tarantino. In this first biography of the prolific filmmaker, author Daniel Kremer offers a comprehensive look at the director's unique career. Furie pioneered techniques such as improvisation in large-scale film productions, and sometimes shot his films in sequence to develop the characters from the ground up and improve the performers' in-the-moment spontaneity. Not only has Stanley Kubrick acknowledged that Furie's *The Boys in Company C* (1978) informed and influenced *Full Metal Jacket* (1987), but Martin Scorsese has said that he considers *The Entity* to be one of the scariest horror films of all time. However, Furie was often later criticized for accepting lowbrow work, and as a result, little serious study has been devoted to the director. Meticulously researched and enhanced by Kremer's close relationship with the filmmaker, this definitive biography captures the highs and lows of an exceptional but underexamined career, taking readers behind the scenes with a director who was often ahead of his time.

The Entity Jul 05 2020 The International Bestseller "A true story that surpasses any novel by John le Carré."—El País (Spain) For five centuries, the Vatican—the oldest organization in the world, maker of kings and shaper of history—has used a secret spy service, called the Holy Alliance, or later, the Entity, to carry out its will. Forty popes have relied on it to carry out their policies. They have played a hitherto invisible role confronting de-Christianizations and schisms, revolutions and dictators, colonizations and expulsions, persecutions and attacks, civil wars and world wars, assassinations and kidnappings. For the first time in English (following the bestselling Spanish and French editions), Eric Frattini tells the comprehensive tale of this sacred secret service. The Entity has been involved in the killings of monarchs, poisonings of diplomats, financing of South American dictators, protection of war criminals, laundering of Mafia money, manipulation of financial markets, provocation of bank failures, and financing of arms sales to combatants even as their wars were condemned, all in the name of God. The contradiction between God's justice and Earth's justice, Christian beliefs and Christian power all fall before the motto of the Entity: With the Cross and the Sword.
