**Brightblade** Jul 06 2020 A realm aside from our own is the center of the realities, home to every spectrum of magic. From the beautiful to the terrible, it was all held in delicate balance by the Eternal Emperor and his immortal children. For 10,000 years, the empire was the bastion that protected the sentient races from the darkness, but the revolution, and the War of the Gods has changed all that.... Jax is a pretty regular guy, has a job he tolerates, a girl he kinda, sorta loves...and he fights creatures from the UnderVerse in his sleep, leaving him covered in horrific scars when he wakes up. When his brother vanishes and five years later he's kidnapped as well, he's given a stark choice by his asshat of a father: Go to the UnderVerse in reality, travel to the capitol of that ruined realm at the center of reality, and open a portal for the Noble Houses to return home...or die. Slowly. That's the good news. The bad is that he has to survive the arena first, to prove his right to go. Twelve will enter, only one can leave....

**Stolen Land** Oct 28 2019 Rag-tag armies of mercenaries from the northern nation of Brevoy have turned their attention south to the region of the River Kingdoms called the "Stolen Land," and hope to reclaim control of these lands to expand their power. Yet the dangerous denizens of the Stolen Land will not give up their lairs quietly. The heroes are one of four groups sent south to explore these wilderness realms and establish colonies, yet the dense woodlands and rugged hills of this region are far from safe. Will the heroes be able to wrest control of the realm from the monstrous bandit known only as the Stag Lord? A Pathfinder Roleplaying Game adventure for 1st-level characters, this volume of Pathfinder kicks off the highly anticipated Kingmaker Adventure Path, in which the heroes win and defend a small kingdom from threats foreign and domestic. This Pathfinder volume also includes a gazetteer of Brevoy and extensive rules for exploring, taming, and holding wildlands in preparation for founding a new nation. The Pathfinder Bestiary section introduces five all-new monsters perfect for Kingmaker adventuring. Award-winning author and

gaming icon Jeff Grubb (Forgotten Realms: Azure Bonds) brings a lighter side to Pathfinder with the first installment of a new fiction arc for the Pathfinder Journal.

**Hardcore Gaming 101 Presents: Japanese Video Game Obscurities** Oct 21 2021 Japan has produced thousands of intriguing video games. But not all of them were released outside of the country, especially not in the 1980s and 90s. While a few of these titles have since been documented by the English-speaking video game community, a huge proportion of this output is unknown beyond Japan (and even, in some cases, within it). Hardcore Gaming 101 Presents: Japanese Video Game Obscurities seeks to catalogue many of these titles – games that are weird, compelling, cool or historically important. The selections represent a large number of genres – platformers, shoot-em-ups, role-playing games, adventure games – across nearly four decades of gaming on arcade, computer and console platforms. Featuring the work of giants like Nintendo, Sega, Namco and Konami alongside that of long-forgotten developers and publishers, even those well versed in Japanese gaming culture are bound to learn something new.

**A Beginners Guide to Using PlayStation 4 (PS4)** May 16 2021 Congratulations on your purchase of what Sony Computer Entertainment touts as “the world’s most powerful gaming console,” the PlayStation 4! In its first year alone, the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014 it won gaming mega-website IGN’s People’s Choice Award for best console (in competition with the xBox One and Wii U). Accordingly, the PlayStation 4 dominated gaming console sales throughout 2014, making it one of the best and fastest-selling gaming consoles ever designed. In addition to its beefier hardware, Sony has added a variety of new and innovative features, including the Dualshock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally, with the new system, players can connect their smart phones, tablets, PS Vita or PS TV to act as “second screen” interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface, but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps, such as Netflix and Hulu, can now be displayed directly on the main screen for faster access. Additionally, the system now can be controlled using voice commands from a microphone headset or from the built-in microphone on the PlayStation Camera. With the release of the PlayStation 4, Sony has begun to emphasize “social gaming,” which goes far beyond mere multi-player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS 4, this is now possible with just a couple of button presses using the new “Share” button on the Dualshock 4 controller. In addition to faster and easier access to internet services like Netflix and Amazon Instant Video, the PlayStation 4’s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser, making it the most compatible browser available on any console. Whereas in the past and with other consoles, web browsing could be a bit of a headache when it comes to things like accessing YouTube videos, the PS4’s web browser is as easy and intuitive as the web browser on your computer, and it’s automatically compatible with the web’s most advanced websites. This guide will introduce you to how to use the most advanced features of the PS4. Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend, the Sony PlayStation 4! Please note, this book is neither written or endorsed by Sony and should be considered unofficial.

**The Thing on the Doorstep** Apr 14 2021 "The Thing on the Doorstep" is a story written by H. P. Lovecraft, part of the Cthulhu Mythos universe of horror fiction. Daniel Upton, the story's narrator, begins by telling that he has killed

his best friend, Edward Derby, and that he hopes his account will prove that he is not a murderer. He begins by describing Derby's life and career. He then tells of Asenath Waite, and how Derby and she wed. A few years later, people start to notice a change in Derby's abilities. He confides in Upton, telling him strange stories of Asenath, and how he believes her father, Ephraim Waite, may not actually be dead. Upton is called to pick up Derby who has been found in Chesuncook, Maine, rambling incoherently. On the trip back, Derby tells of Asenath using his body, and suggests that it is in fact Ephraim who resides in the body of Asenath. Before finishing, he has a small seizure and rapidly changes personality, asking Upton to ignore what he might have just said. A few months later, Derby shows up at Upton's door and says he has found a way to keep Asenath away; to stop her from using his body. Derby finishes renovations on his old family house, yet seems strangely reluctant to leave Asenath's old place. Upton receives a visit from Derby, who begins raving about his wife and father-in-law. Upton gets him to sleep, but has Derby taken to Arkham Sanitarium. The Sanitarium calls Upton to tell him that Derby's "reason has suddenly come back", though upon visiting, Upton can see it is not the true personality of Edward Derby. Upton is roused from his sleep by a knocking at his door, using "Edward's old signal of three-and-two strokes". Upton believes it may be Derby, but opens his door to find a "dwarfed, humped" messenger, carrying a letter from Derby. The letter explains that Derby had in fact killed Asenath and buried her body in their cellar. Despite this, Asenath had managed to take control of his body while he was in the Sanitarium, meaning that "the thing on the doorstep" was actually Derby inhabiting Asenath's putrefying corpse. The note implores Upton to go to the sanitarium to kill Derby, who has been permanently possessed by Asenath-Ephraim's soul. Upton does so, thus hopefully banishing Asenath-Ephraim's soul to the hereafter, though he reveals that he is afraid of having his soul transferred as well.

**The Divine Comedy (illustrated)** Mar 14 2021 The Divine Comedy (La Divina Commedia) by Dante Alighieri A "comedy", that became a "divine book" for ancestors, is one of the greatest works of art known to the world. It is an encyclopedia of "moral, natural, philosophical and theological" knowledges, a tremendous synthesis of the feudal catholic ideology and the same tremendous epiphany that spread during the new culture times. A great poetic genius of the author put this comedy above the era and made it a legacy of centuries. Illustrated by Olena Odarych.

**The Great God Pan Illustrated** Nov 29 2019 The Great God Pan is a horror and fantasy novella by Welsh writer Arthur Machen. Machen was inspired to write The Great God Pan by his experiences at the ruins of a pagan temple in Wales. What would become the first chapter of the novella was published in the magazine The Whirlwind in 1890. Machen later extended The Great God Pan and it was published as a book alongside another story, "The Inmost Light", in 1894. The novella begins with an experiment to allow a woman named Mary to see the supernatural world. This is followed by an account of a series of mysterious happenings and deaths over many years surrounding a woman named Helen Vaughan. At the end, the heroes confront Helen and force her to kill herself. She undergoes a series of supernatural transformations before dying and she is revealed to be the child of Mary and the god Pan.

**Bedlam** Oct 01 2022 HEAVEN IS A PRISON. HELL IS A PLAYGROUND. Ross Baker is an overworked scientist developing medical technology for corporate giant Neurosphere, but he'd rather be playing computer games than dealing with his nightmare boss or slacker co-workers. He volunteers as a test candidate for the new tech - anything to get out of the office for a few hours. But when he emerges from the scanner he discovers he's not only escaped the office, but possibly escaped real life for good. He's trapped in Starfire - a video game he played as a child - with no explanation, no backup and, most terrifyingly, no way out.

**Double, Volume 4** Sep 27 2019 Scatterbrained Takara Takarada is an undiscovered genius actor who fully embodies every character he's cast as, delivering unforgettable performance after performance onstage. But this genius can only be brought forth by his best friend and fellow actor, Yuuji Kamojima, who cares for Takara even as he envies him for his innate talent. When it takes the two of them together to bring a character to life, what will happen when Takara is scouted away from their small-time theater troupe and thrust into the new world of television instead? Can Takara survive without Yuuji's guidance... and how does Yuuji respond to being left behind?

**The Terrible Old Man** Nov 09 2020 The first story set in the fishing village of Kingsport, which is featured in the later works of the one of the greatest horror writers of all time. It is rumored that the mysterious old man who lives alone in the small New England town was once a sea captain. It is also rumored that he is hoarding a treasure. When three robbers decide to steal it, they will encounter a bloodthirsty evil unlike any they ever imagined . . . "The Terrible Old Man is the story of three career criminals looking to rob the eponymous character, an eccentric retired mariner so ancient that no one alive remembers his youth. . . . This is also the first story set in the fictional New

England geography that Lovecraft will detail over the course of future writing. . . . So, what we see in these stories is Lovecraft beginning to construct the alternate world which will be the home to his most famous works, at least as much a unifying element of the author's oeuvre as those details subsequent writers and critics have defined as the 'Cthulhu Mythos.' As such, The Terrible Old Man is not only an effective piece of eerie storytelling, it is also an important stepping stone in the development of a bigger Lovecraftian world." —The Blood-Shed "A piece of minimalist brushwork, with most of the narrative suggested by negative space . . . In sharp contrast to the central Mythos tales, the horror is allusive and oblique, the violence kept off-stage." —Tor.com
