Out of the Darkness Oct 11 2020 Summer love. First love. True love, or too good to be true? Meet Brandon: I was the king of the world. I had popularity, two state football championships, admittance to play ball at a top Division 1 school, and was ready for the best summer of my life. What I wasn't ready for was Claire. From the moment I met her, she forced me to uncover parts of myself I didn't know existed. The face I wore every day as the king of Parkdale was a façade. This girl was the sun that brightened my world, and I would always protect her. The problem was, how could I protect her from my own self destruction? Meet Claire: I liked my routine life. My best friends, Jackson and Ali, were by my side, I had a job lined up for the summer, and I was headed into my senior year. Things were steady. Things were good. Until Brandon. I hated standing out in the crowd and being surrounded by people. And that was his entire life. Being with Brandon pulled me out of my shell. I handed him my heart, trusting him to protect it like he always protected me. The question was, would it be safe?

*The Darkness We Crave* Feb 12 2021 Most people don't think about where they're going to be when the world ends. On the beach drinking margaritas? In the arms of a lover? How about in a shit-ass resort run by your shit-ass parents? I have always lived my life as the perfect daughter. At seventeen, I had no other option than to follow my parents' strict regiment. Did I mention that they're assholes? The world didn't decide to suddenly end. Oh no, that would be too easy. Instead, it was a series of events that led to its eventual demise. Earthquakes, tornados, and a mysterious virus that turned people into raving lunatics. Fortunately for me, I have the help of seven handsome men to combat the coming storm. Literally. Declan, an enigma from my past. Ryder, a flirty musician. Asher, the sweetest boy I had ever met and probably the only one that I don't want to kick in the balls. Tamson, shy and timid, with a past I'm aching to uncover. Ronan, my sarcastic leprechaun. Fallon, the stoic leader. And, finally, Calax (but he doesn't really matter because I kind of hate him and want him to fall on his head and die). I will have to learn to rely on these boys and myself if we're going to survive the apocalypse. This is a slow-burn reverse harem series. Warning: This book deals with sensitive issues such as abuse, rape, and suicide that some readers may find triggering. Reader discretion is advised.

*Into the Darkness (Darkness, 1)* Oct 03 2022 I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know.

*The Darkness That Comes Before* Sep 21 2021 Strikingly original in its conception, ambitious in scope, with characters engrossingly and vividly drawn, the first book in R. Scott Bakker's Prince of Nothing series creates a remarkable world from whole cloth—its language and classes of people, its cities, religions, mysteries, taboos, and rituals—the kind of all-embracing universe Tolkien and Herbert created unforgettably in the epic fantasies *The Lord of the Rings* and *Dune*. It's a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future, as untold thousands gather for a crusade. Among them, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus—part warrior, part philosopher, part sorcerous, charismatic presence—from lands long thought dead. *The Darkness That Comes Before* is a history of this great holy war, and like all histories, the survivors write its conclusion.

*The Esai Poems* Jun 26 2019 He wakes from his afternoon siesta, / flapping legs and hands, / a bluebird perched on the birch/ branch of mother's arm/ ready to raid/ cornfields/ in his father's heart/ **THE ESAI POEMS** is the first of four books under the series title of **BREAKING BREAD WITH THE DARKNESS** by American Book Award recipient Jimmy Santiago Baca. The Esai poems are a poignant blend of Baca's wonder of his and his partner's newborn son, and the thoughts and observations of the world he will be inheriting, including, including war, racism, indifference and greed. Through Esai the wonder-struck new father explores the idealic world of his family through Esai's new eyes, "He studies his hands as if they are newly discovered planets . . ." but realizing the harsh realities of our times adds perspective with juxtapositions: "I'll wait to tell him how in some places armies cut off the hands of rebels..." Written as a series of thematically connected and dated poems, moving back and forth between ideas, *The Esai Poems* are some of Baca's strongest poetic work. Already father of two grown sons, Baca explores the implications of beginning another family with another woman. Subsequent volumes will include explorations of self and family with *Essays and Stories*, *The Lucia Poems* (to his young daughter), and to his son, *Tones and Gabe Poems and Essays*.
