JFK to 911 Everything Is A Rich Man's Trick Sep 08 2020 JFK to 911 is already a global phenomenon, having

began as a Youtube video which achieved over a billion hits by becoming the first documentary in human history to untangle all the establishment lies and reveal the entire truth about the Kennedy Assassination and 911. These disclosures so frightened the powers-that-be that President Trump and the Queen of England took the joint decision to ban it altogether, so that if you read this book, you will be learning the most cardinal secrets which your government would much rather you did not know. Nearly all intelligent people these days are wary of what we are being told by the mainstream media, but fewer are aware that the very notion of 'fake news' began with the words on these pages, and that all government policy in recent times has been an ongoing effort to hold back the increasing enlightenment these words have inspired. Legions of people have taken the trouble to go online so that they could tell the world about how learning that absolutely everything is a rich man's trick—the justice system, the education system, the economic system, and most importantly, the media. Francis Richard Connolly is extremely hopeful that the people who have made a movie which he originally gave them for free such a central part of their existence will now buy this book in order to build the revenues which he needs to make the sequel which everyone wants to see.

It's a case that nobody wants to touch, deeply rooted in old evil—and old evil is Charlie Parker's specialty. He's about to enter a living nightmare, a dreamscape of sorrow haunted by the murderous specter of a hooded woman, by a black car waiting for a passenger that never comes, and by the sinister complicity of both friends and enemies in Larousse's brutal death. Soon, all will face a final reckoning in an unearthly realm where the paths of the living and the dead converge. A place known only as the White Road. **THE BLACK ANGEL** When a young woman disappears from the streets of New York City, ties of friendship and blood inevitably draw ingenious, tortured detective Charlie Parker into the search. Soon he discovers links to a church of bones in Eastern Europe, a 1944 slaughter at a

French monastery, and to the myth of an object known as the Black Angel—considered by evil men to be beyond priceless. But the Black Angel is not a legend. It is real. It lives. It dreams. And the mystery of its existence may contain the secret of Parker's own origins. THE UNQUIET Daniel Clay, a once-respected psychiatrist, has gone missing. His daughter insists that he killed himself after allegations surfaced surrounding the harm done to patients in his care. A Time of Torment Jan 25 2022 #1 internationally bestselling author John Connolly delivers a masterful combination of “the hard-boiled with the supernatural” (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that haunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut, and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

As Parker gets closer to the girl's captors, he discovers that her disappearance is linked to a church of bones in Eastern Europe, to the slaughter at a French monastery in 1944, and to the myth of an object known as the Black Angel -- an object considered by evil men to be beyond priceless. fear and social unrest after a methodical killer strikes on New Year's Eve (Publishers Weekly). There's chaos in Hollywood at the end of the New Year's Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder--a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that "relentless on their own, Ballard's and Bosch's combined skills...could be combustible" (Los Angeles Times).
